Local Area SEND Operational Group minutes 12th February 2026 states:

"Department for Education Deep Dive: EHCP Quality and Timeliness A verbal update was given on the notification of the DfE Deep Dive around EHCP quality and timeliness (18th March) and preparations to support the deep dive, including the evidence submission."

Please let me have copy of all documents relating to the evaluation. Alternatively, please upload to your usual "Inspections and evaluations" web page.

Suffolk County Council do not hold this information because, the Local Area received notice of the Local Area SEND Inspection commencing from 9th March 2026. Due to this, the Deep Dive session by the DfE was cancelled so there are no documents to share as a result.
