

Environmental Information Regulations – Response - 27419

Could you tell me the overall and final figures for the cost of supplying emptying and all associated costs involved in the new bin recycling system that has been set up.

Suffolk County Council does not hold the information requested. The provision of supply and emptying of bins is a waste collection authority (WCA) function, which is carried out at District/Borough Council level.

If you have not already done so, then you may wish to write to the Borough and District Councils of Suffolk:

- Babergh Mid Suffolk District Council
