how much does the Council pay per week for a fully funded Council funded resident at Rendlesham Care Centre.

The Council operates a standard rate for in-county residential and nursing care placements; this standard weekly rate is £944 per placement for non-Learning Disability/Autism or Mental Health provision. Where the customer has higher assessed needs, individual fees are negotiated with the provider.

Currently, the weekly fees paid by the Council for placements at Rendlesham Care Centre range between £1,020 and £1,650 per resident reflecting the assessed needs and individual circumstances of the residents in that setting.
