

## **Environmental Information Regulations – Response - 27449**

*I'm writing under the Freedom of Information Act to request the following information:*

*1. The number of hoarding-related fires attended by Suffolk Fire and Rescue Service each year from 2015-2025.*

Suffolk Fire and Rescue Service does not currently record details of hoarding-related fires it has attended within the Incident Recording System.

*2. How many social housing blocks or high-rises are currently flagged by the service as a high-risk hoarding zone? (i.e. a Level 4+ on the Clutter Image Rating scale). If available, please provide this number for every year from 2015-2025, as well as the current number.*

None of the 18 metres high premises within Suffolk are currently flagged with any associated high-risk hoarding issues.
