

Freedom of Information – Response – 27547

Under the Freedom of Information Act 2000, I request the following information regarding the speed detection device used at Garrison Lane, Felixstowe on June 30th

- *The make and model of the speed detection device.*
- *The date on which the device was last calibrated prior to its use on that date.*
- *A copy of the current calibration certificate for the device, if held.*
- *The date of the device's next scheduled calibration after that use.*

Suffolk County Council can confirm that the above-mentioned speed detection device not one of ours. If you have not already done so, then you may wish to write to the relevant Borough/District Council of Suffolk:
