Please can you provide the following information regarding Suffolk County Council's fleet vehicles:

1. Does Suffolk County Council carry out wheel alignment checks on its fleet vehicles?
Suffolk Trading Standards does not.

Growth, Highways and Infrastructure Directorate
see below:

- Suffolk Highways – Records not held, hired fleet.
- Suffolk Archives – Records not held, hired vehicle
- Waste Management – Annual or quarterly maintenance checks carried out by external contractor which includes checking steering alignment amongst many other things.
- Public rights of way - Annual or quarterly maintenance checks carried out by external contractor which includes checking steering alignment amongst many other things.
- Transport Strategy - All vehicles are leased with the exception of two. All maintenance for leased vehicles is carried out by the lease company, no records held by SCC on wheel alignment. No specific records are kept for wheel alignment on the two owned vehicles but would be undertaken as part of general servicing if required.
- Natural Environment – Not known.

2. Are wheel alignments carried out in-house or by an external contractor?
Suffolk Trading Standards: – N/A
