

Environmental Information Regulations – Response - 27652

Under the Freedom of Information Act, I would like to request the following information regarding chicken and chicken products supplied for school meals in your local authority's maintained schools.

Please provide data for the most recent academic year for which records are available.

1. Sourcing by Origin

Please state, as a percentage or volume if available, the proportion of chicken (including all chicken products such as nuggets, roast chicken, chicken burgers, etc.) used in school meals that is:

(a) Produced and reared in the UK

99.46% UK Chicken in Suffolk Schools

(b) Produced and reared outside the UK, but in the EU

0.54% Bulgarian Chicken in Suffolk Schools **(NB only provided where Halal chicken was specified by Client - High Schools only)**

(c) Produced and reared outside the UK and outside the EU

If precise percentages are unavailable, please indicate whether any chicken is sourced from each of these categories (e.g., "yes/no/unknown").

2. Please state if the chicken (including all chicken products such as nuggets, roast chicken, chicken burgers, etc.) used in school meals that is produced and reared outside the UK and the EU is sourced from Thailand, and if not, please could you state which country or countries it is sourced from.
