

Environmental Information Regulations – Response – 27735

I am writing to request information under the Freedom of Information Act 2000 regarding inspections and enforcement action relating to domestic log burners (wood-burning stoves) within your council area.

Please provide the following information for the last five full tax years.

Please tell me:

The number of complaints received by the council relating to domestic log burners in the period.

The number of inspections or investigations carried out by the council relating to domestic log burners or wood-burning stoves.

The reasons for these inspections (for example, complaints received, smoke nuisance, planning issues, Clean Air Act matters, or other concerns).

The number of cases where the council identified a breach or issue requiring action.

Details of the action taken following these inspections, including (where applicable): informal advice or warnings issued; enforcement notices served; fines or penalties issued; prosecutions or other legal action taken; any other remedial action required.

We are writing to advise you that, following a search of our paper and electronic records, it has been established that the information you requested is not held by Suffolk County Council.

If you have not already done so, then you may wish to write to the Borough and District Councils of Suffolk:
