

Environmental Information Regulations – Response - 27763

I'd like to put in a Data/ Freedom of information request for the report of the 17th February 2026 inspection of this pot hole and inspections of this location. Please can this include any photos or written details regarding this, including any measurements.

Screenshots of the system showing the cyclical safety inspection undertaken on 17/02/2026 are as per file named '27763_Report.pdf'.

Records of measurements or pictures taken of defects that do not meet Suffolk County Council's repair criteria identified during the inspection of the entire road are not kept.
