

Freedom of Information – Response –27818

Under the Freedom of Information Act 2000, I would like to request information relating to parking enforcement activity and PCNs issued at Newmarket High Street.

I am particularly interested in understanding the relationship between Civil Enforcement Officer attendance and the number of PCNs issued. Please could you provide the following for the most recent 12 month period for which data is available:

1. The number of Civil Enforcement Officer (CEO) visits/patrols to the location, including the number of visits, patrols or observations recorded.
2. The total number of PCNs issued at this location during the same period.
3. A breakdown of PCNs issued by contravention code, particularly Code 01, "Parked in a restricted street during prescribed hours".
4. The number of PCNs subsequently cancelled, withdrawn or successfully challenged, together with the reason/category for cancellation where recorded.
5. The number of formal representations or appeals received against PCNs issued at the location, and the number that were successful.
6. If recorded, the number of complaints, enquiries or challenges relating to unclear, confusing, contradictory or inadequate signage or road markings at the location.
7. The number of CEO observations where no PCN was issued, if this information is recorded.
8. The number of CEOs routinely allocated to patrol the location and, if recorded, the approximate frequency of scheduled enforcement visits.

We are writing to advise you that, following a search of our paper and electronic records, it has been established that the information you requested is not held by Suffolk County Council.

If you have not already done so, then you may wish to write to the Borough and District Councils of Suffolk:
