Freedom of Information Request – Response – 28115

Under freedom of information legislation, please provide the following information about energy and water for the schools you maintain or run, as at the date of this request. If any of it is already published, a link is fine.

Schools' arrangement

1. Do you buy electricity and gas on behalf of the schools you maintain or run? If so, please list the schools included (school names are enough).

Yes - Find a school in Suffolk - Suffolk County Council

2. Can schools opt out and buy their own energy? If so, please list the schools that have opted out, if you hold this information.

Yes – No Details Held

3. Do any academies in your area buy energy through your arrangement? If so, please list them.

Yes – No Details Held

Electricity and gas

4. Who is the current electricity supplier, and what are the contract start and end dates?

EDF - 2029

5. Who is the current gas supplier, and what are the contract start and end dates?

SEFE – 2029

6. Are the contracts fixed price or flexible?

Flexible

7. How were they procured (direct with a supplier, through a framework, or through a broker or consultant)? Please name the framework or broker.

Concertus framework

Metering and services

8. Who are the Meter Operator (MOP), Data Collector (DC) and Data Aggregator (DA) for the schools' electricity meters, and when do those contracts end?

Imserv - 2028

9. Do the schools have an energy monitoring platform or a bill validation service? If so, which provider?

Systems Link

Water

10. Do you buy water and wastewater for these schools? If so, who is the supplier, when does the contract end, and how was it procured?

No

Responsibility

11. What is the job title of the person responsible for buying utilities for schools?

The schools will make the decision on how they source utilities.
