The proposal no longer includes recycling and Policy WP11 is included in my list.

Kind regards,

Hi [REDACTED]

Apologies for the delay in getting back to you.

The policies listed in your email below would be relevant to the proposal, in addition to:

- Policy WP8: Proposals for recycling of inert and construction, demolition and excavation waste; and
- Policy WP11: Approval of sites for disposal of inert waste by landfilling or landraise.

Best wishes,

Just wondering if you've had an opportunity to consider my earlier email?

In reviewing the SCC pre-app response dated 29 February 2024, are there not further *relevant* policies in the SM&WLP to those listed at the top of page 3?

In the Planning Statement I'm inclined to address the following additional policies:

- MP6: Progressive working and restoration
- MP7: Aftercare
- WP3: Existing or designated land-uses potentially suitable for waste development
- WP11: Approval of sites for disposal of inert waste by landfilling or land-raise

I'd be grateful for your thoughts.

Thank you.

Kind regards,

Apologies if I've asked previously but can you please supply the up-to-date LAA for Suffolk please.

I'd like to be able to calculate the current S&G landbank using revised apportionment (1.62mt) and average sales of the last 3 and 10 years.

Thank you.

Kind regards,
