Hi [REDACTED]

Following this morning's meeting on site, the County Ecologists would be keen to see a draft BNG metric.

If this is available, please could you send a copy, and I will pass on to the Ecologists?

Many thanks,

As discussed, I'm sending you via WeTransfer a short report prepared by Philip Parker Ass outlining the approach being taken in the forthcoming planning application with regard to ecology and biodiversity net gain.

I'd be grateful if you could share this information with the Co Ecologist and let me have any comments they may have.

Thank you.

Kind regards,
