Hi

Document received via WeTransfer and sent to County Ecology for comment.

I should have a response by Friday 31st January.

Best wishes,

Planning Officer

As discussed, I'm sending you via WeTransfer a short report prepared by Philip Parker Ass outlining the approach being taken in the forthcoming planning application with regard to ecology and biodiversity net gain.

I'd be grateful if you could share this information with the Co Ecologist and let me have any comments they may have.

Thank you.

Kind regards,

Mineral Surveying Consultant
