

HELLO, I'M

Grace

ABOUT ME

I'm a Trainee Educational Psychologist. That means I work with other Educational Psychologists and learn from them so I can become one too!

Before this, I was a Primary School Teacher where I taught years 4 and 5.

MY ROLE

When I visit you, I might chat with you to learn what's going well and what could be better. I want to get to know you so we can find ways to help you feel happy and confident in school.
