

Notice of Key Decisions to be made by the Cabinet not previously included on the published Key Decision Forward Plan

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, local authorities are required to publish a Forward Plan of Key Decisions to be made by the Cabinet at least 28 clear days before the date of the meeting. In the event that the publication of the intention to make a key decision at least 28 days before the meeting is impractical, the local authority must inform the Chairman of the Scrutiny Committee. The notice given to the Chairman of the Scrutiny Committee must be published. The following notice has been given:

“I have been notified of two additional items that will need to go to Cabinet on 21 May 2019. In accordance with the law, as this is within the 28-day period of the advance public notice of key decisions, I am informing you as Chairman of the Scrutiny Committee.

Item 1: Local Highways Budget – Policy Development Panel

This item was requested to be added to the forward plan after the 28 day statutory notice period as the PDP has agreed its recommendations and the Monitoring Officer has confirmed that the report should be considered by Cabinet.

A Cabinet decision is needed on 21 May 2019 as the implementation of the new Terms of Reference may be delayed and undisclosed commitments may also be affected.

Item 2: Ofsted ILACS Report April 2019

This item was requested to be added to the forward plan after the 28 day statutory notice period as the Ofsted ILACS inspection is unannounced and therefore was impossible to put on forward plan accurately. However, as the inspection has now taken place and the date of publication of the Ofsted Inspection Report confirmed it is important that Cabinet considers the outcomes of the inspection as soon as possible.

A Cabinet decision is needed on 21 May 2019 as this is a major published report and is important for the Council to consider it at the earliest available opportunity.

Councillor Hicks, as Leader of the Council, has given his consent for these items to be considered by Cabinet on 21 May 2019”.

A notice must also be published setting out the reasons why compliance is impractical and the details of any decisions to be made which were not included on the published Forward Plan.

This Notice sets out those key decisions to be made at the meeting of the Cabinet on **21 May 2019** which have not previously been included on the published Key Decision Forward Plan. In accordance with the Regulations, the Chairman of the Scrutiny Committee has been informed of the items listed below.
