

Motion: That Council approves the proposed changes and amendments to Council meetings as follows

- a) That the following recommendation be referred back to the Constitution Working Party for further consideration. 'To endorse the practice of having a maximum of 10 minutes 'Thought for the Day' prior to Council meetings and that this may also include a prayer, but that this should start at 1.50 p.m. and be clearly marked as an item before the start of the formal Agenda at 2.00 p.m.'
- b) Agrees that all councillors should continue to be reminded by the Chairman of the need to ensure that their registration and voting cards are correctly inserted when they enter the Council Chamber when attending Council meetings.
- c) Agrees to extend the provision of audio recording for the time between one meeting and the second following Council meeting and for the recording to be made available on a suitable IT platform.
- d) Receives the summary of public participation in council meetings generally as attached at Appendix A, and
- e) Agrees that the Council should not accept petitions from a person who wishes to be 'anonymous'.

That Council approves changes to the Council's Constitution as detailed in paragraphs paragraph 16 (a) and Appendix B and paragraph 16 (b) of this report.

That Council notes the approach to the review of applications for alteration to Rights of Way as referenced in paragraph 19 of this report.
