

Motion: Motion 2 proposed by Councillor Tony Goldson and seconded by Councillor Jane Storey. Amended by Councillor Jack Owen and seconded by Councillor Kathy Bole and amended by Councillor Caroline Page and seconded by Councillor David Nettleton.

This Council recognises the sterling work that all Suffolk County Council employees, external contactors, the army of unpaid volunteers (to grit our pavements and streets), the other emergency services including, but not limited to, social workers, home carers, home care workers, registrars, all those in the public health team, children's service team, adult care team, highway team and farmers in Suffolk who went out selflessly - as ever - during the unusual adverse weather conditions in late February and early March of this year.

Members present agreed unanimously by a show of hands.
