

Motion: County Council is being asked to agree:

a) to the publication of the Appropriate Assessment for a 6 week period of public consultation, following consideration of the information contained in this report including items a) to c) listed under Sources of Further Information;

b) to delegate to the Head of Planning the responsibility to make amendments to the Appropriate Assessment document to accord with the recommendations made by Natural England, Royal Society for the Protection of Birds and Suffolk Wildlife Trust after discussion with the Cabinet Member for Ipswich, Communities and Waste;

c) to delegate to the Head of Planning the ability to make any other small changes to the Appropriate Assessment document prior to the start of the consultation after discussion with the Cabinet Member for Ipswich, Communities and Waste, and;

d) to an updated Minerals & Waste Development Scheme.

Members present agreed by a unanimous show of hands.
