

Motion: Motion 1 - Proposed by Councillor Stuart Bird and seconded by Councillor Richard Smith
 “This Council recognises the positive and valuable contribution made by our three wholly owned companies, Concertus, Opus and Vertas. These all deliver very effective services and supply annual dividend payments to this Council. This administration will actively investigate other potential areas of our business which could be established externally as Suffolk County Council-owned companies, thereby providing services to external as well as internal clients and creating extra income for the Council.”
