

**Motion:** Motion 4 – Proposed by Councillor Sarah Adams and seconded by Councillor Jack Abbott  
 “This council notes that Norfolk and Suffolk Foundation Trust is no longer fit for purpose and no longer has the support or confidence of the people of Suffolk. Therefore, this council resolves to work to with all relevant parties to create a new, Suffolk-specific mental health organisation that will better serve and support local residents.  
 This council will work to support whatever organisation takes over to increase resources and services for the people of Suffolk in order to mitigate the impact of poor-quality mental health services.  
 To this end this council will write to Secretary of State stating this position, asking him for details on what actions he will take in the light of this motion and asking for him to develop a detailed timetable that sets out the process for setting up a new Mental Health organisation in Suffolk.”
