

**Motion:** Proposed by Councillor Robert Lindsay and seconded by Councillor Caroline Page.  
 “In light of the fact that this council has declared a climate emergency and is aiming to become carbon neutral by 2030, and that it wants to reinvigorate the Greenest County programme, all the council's decisions on major infrastructure projects should now give more weight to whether they will increase or reduce greenhouse gas emissions.  
 Therefore this council will cease any further spending on the Ipswich Northern bypass and instead spend equivalent funds to commission a study to investigate a zero net carbon transport policy for Ipswich and its surrounding communities.”
