

**Motion:** Motion A – Proposed by Councillor Beccy Hopfensperger and seconded by Councillor Matthew Hicks.

‘This council is proud of its proven track record for collaborative and integrated working with partners to provide excellent care for our most vulnerable residents. This is evidenced by Suffolk’s achievement of being rated fifth in the Care Quality Commission’s national league table for care homes, with 87.8% of our care homes rated good or outstanding. This puts Suffolk as the best performing authority in the Eastern Region.

Suffolk’s achievement is even more notable given that there are many more care homes and providers in the county than in any of the authorities featured in the top ten of the CQC national performance table.

Given that this evening we celebrate the Suffolk Care Awards, it is appropriate that this council acknowledges the great work of the dedicated staff in the care sector who look after our most vulnerable residents. Therefore, this council commits to continuing its work to support and advise providers striving to reach a rating of good and outstanding.’
