

## Suffolk County Council meeting Thursday 13 July 2023, vote taken on Motion 2.

Motion 2 – Proposed by Councillor Robert Lindsay and seconded by Councillor Andrew Stringer.

Motion Text:

1. Suffolk’s road network includes highways ranging from high quality carriageways to twisting narrow roads where the “national” speed limit of 60mph applies yet where, for long stretches, the average vehicle speed is significantly less than the national speed limit.
2. This council believes that, where this is the case, a lower speed limit other than 60mph would encourage many drivers to slow to a more appropriate, safer speed, thereby reducing accidents and making roads safer for all users of such roads. The councils’ current criteria for changing speed limits have not been reviewed since 2014.
3. The council will therefore agree to set up a cross party working group to review the criteria for changing speed limits bearing in mind the principle in item 2 and report back with a reviewed set of criteria for cabinet approval within six months.
