

Motion: Motion 1 - Proposed by Councillor Mark Ereira-Guyer and seconded by Councillor Bill Mountford (as amended)

"This Council recognises that the Localism Act 2011 gives it the opportunity to implement a more inclusive and engaging system of governance.

This Council requests that the Constitution Working Party works up detailed proposals for the operation of new systems, ready to be considered and decided upon in principle at the May 2017 AGM, or at the earliest possible Full Council meeting thereafter and no later than September 2017, prior to any public consultation.

If agreed by Council at that time, any new system of governance would be implemented from May 2018."
