

Motion: Motion 2 - proposed by Councillor Sandy Martin and seconded by Councillor David Wood

Although this motion is similar to the motion considered by Council on 17 March 2016, in accordance with Paragraph 8.3.16 of Part 2 of the Council's Constitution, there were more than the minimum of 20 signatories to this motion.

"This Council believes that the reductions in fire appliances and crews as recommended in the Suffolk Fire Service Integrated Risk Management Plan 2015-18, as amended for Suffolk County Council Cabinet on 17 May 2016, would pose a serious threat to the safety of the residents of Suffolk, their homes and their businesses.

This Council therefore calls on the Cabinet to reject the plans as laid out for the 17 May meeting, and approve an IRMP which excludes the following proposals:-

Bury St Edmunds Proposal

To remove one fire engine from Bury St Edmunds Fire Station, and make consequent reductions to associated oncall firefighter posts

Ipswich Proposal

To remove one fire engine from Princes Street Fire Station and one fire engine from Ipswich East Fire Station, and make consequent reductions to associated whole-time and on-call firefighter posts

Lowestoft Proposal

To remove one fire engine from the Lowestoft South Fire Station, and make consequent reductions to associated oncall firefighter posts."
