

Motion: Motion 3: Proposed by Councillor Keith Patience and seconded by Councillor Sarah Adams

This Council commits to adopt and promote the Motor Neurone Disease (MND) Charter.

By adopting the MND Charter, this Council pledges to deliver to those living with MND and their carers:

- The right to an early diagnosis and information
- The right to access quality care and treatments
- The right to be treated as individuals, with dignity and respect
- The right to maximise their quality of life
- Respect and support for carers of people with MND

The Council also agrees to promote the Charter amongst Councillors, staff, partner organisations and health and social care professionals who deliver services for the Council.

Members present agreed unanimously.
