

Brandon Catchment Area List for the 2023/2024 school year only

Your catchment area school may not be your child's nearest suitable school. School travel eligibility is based on a child attending their nearest suitable school that would have had a place available for them. This means that your child might not be eligible for Suffolk County Council funded school travel to their catchment area school.

It is important that you check which school is your child's nearest suitable school on our [Nearest School Checker](#) for the **2023/2024 school year**, because this might not be the catchment area school. You can find out which are the three nearest Suffolk schools (based on the statutory walking distance including Public Rights of Way) by putting your child's postcode into the Checker which can be found at nearestschool.suffolk.gov.uk. **We update this each year to include new roads and developments.**

Suffolk County Council (SCC) Funded School Travel

Please be aware: You **must** consider how your child will travel to and from school **before** you apply for a school place. Further information on how to apply for a school place can be found on the relevant page at www.suffolk.gov.uk/admissions.

Full details about SCC funded school travel, including the School Travel Policy, additional arrangements for low income families and those with Special Educational Needs and Disabilities (SEND), can be found at www.suffolkonboard.com/schooltravel.

The information given in this list should be used as a guide only and may change. It is correct at the time of publication (31/08/22). For up-to-date information about a particular address, please contact the Admissions Team on 0345 600 0981. It should not be taken to have any definitive administrative or legal significance.

Please refer to the school's admissions policy for the relevant school year which is available online at www.suffolk.gov.uk/admissions or from the school.
