

Notice of Key Decisions to be made by the Cabinet not previously included on the published Key Decision Forward Plan

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, local authorities are required to publish a Forward Plan of Key Decisions to be made by the Cabinet at least 28 clear days before the date of the meeting. In the event that the publication of the intention to make a key decision at least 28 days before the meeting is impractical, the local authority must inform the Chairman of the Scrutiny Committee. The notice given to the Chairman of the Scrutiny Committee must be published. The following notice has been given:

“I have been notified of an additional item that will need to go to Cabinet on 23 March 2021. In accordance with the law, as this is within the 28-day period of the advance public notice of key decisions, I am informing you as Chairman of the Scrutiny Committee.

Suffolk Strategy for Young People’s Education, Employment and Training 2021-2024

- *This item was requested to be added to the forward plan after it was published on 22 February 2021 as the importance of the Strategy was recognised.*

A Cabinet decision is needed on 23 March 2021 as the Strategy needs to be adopted promptly because developing the best possible system to support young people into education, employment and training is critical to the future economic prosperity of the county and consequently has a significant effect on communities. This is particularly important as the economy recovers from the effects of the pandemic.

Councillor Matthew Hicks, as Leader of the Council, has given his consent for the item to be considered by Cabinet on 23 March 2021.”

A notice must also be published setting out the reasons why compliance is impractical and the details of any decisions to be made which were not included on the published Forward Plan.

This Notice sets out those key decisions to be made the meeting of the Cabinet on 23 March 2021 which have not previously been included on the published Key Decision Forward Plan. In accordance with the Regulations, the Chairman of the Scrutiny Committee has been informed of the item listed below.
