

It is an offence to carry out any works within the public highway without permission of the Highway Authority.

Any conditions which the Local Planning Authority may give referring to use of this drawing do NOT give the applicant permission to carry out works within the Public Highway.

Unless otherwise agreed in writing all works within the Highway will be carried out by the County Council at the applicant's expense.

To gain permission to construct, Suffolk Highways must be contacted. Information is shown opposite.

Area to be constructed to the satisfaction of the Local Planning Authority in consultation with the County Council as Highway Authority.

Visibility Splay areas to be free from all obstructions to visibility exceeding h above carriageway level.

- Sufficient sustainable drainage will be required to prevent surface water entering the Highway.
- Gate should be set back at least 5m from channel of carriageway and open inwards.
- Depending upon construction specification and location there may be a necessity for precast concrete footway edgings to be installed to the side and rear of the access area to retain the construction.
