Sometimes at the moment I look

like this:

What do I like?

Travelling the world

Walking with my dog

Spending time with my family

Relaxing and reading

What we might do together

Talk about your likes and dislikes

Do some activities

Play a game

Answer some questions together

People say I am:

Interested in finding out things

Caring

Listen well

Thoughtful

What if you don't want to work with me?

If you don't want to work with me that's ok you can ask to stop anytime.

What helps me?

Let me know if what I have done that was of use or not! I am always looking for how I could have done things differently or better.
