- 13.2.1 When a decision referred to in Rule 13.1 has been made, any 5 or more councillors may submit a call-in notice, in writing, by no later than 4.00 pm on the second working day after the decision was made, to the Monitoring Officer.
- 13.2.2 The call-in notice must, in accordance with Rule 13.8, set out the grounds on which the decision is being called in. Where the notice is valid, the decision cannot be implemented until the procedures for call-in have been followed.
- 13.2.3 Where a valid notice is received by the Monitoring Officer the decision shall normally be considered at the next scheduled meeting of the Scrutiny Committee.
- 13.2.4 If, in exceptional circumstances, it is not possible to consider the decision at that scheduled meeting, then with the agreement of the Chairman of the Scrutiny Committee and the proposer and seconder of the call-in, an alternative date for a meeting should be arranged as soon as practicable. If a date cannot be arranged at which the proposer, seconder and a quorum of the Scrutiny Committee are able to be present within three weeks of the decision being taken, then the call-in will be cancelled.
- 13.2.5 The underpinning assumption is that the call-in procedure will be used in exceptional circumstances only and its use is limited to no more than ten occasions in any municipal year.
- 13.2.6 A submitted call-in notice can only be withdrawn with the written consent of all of its signatories.
- 13.2.7 Unless agreed by the Chairman prior to the meeting, the Proposer and Secunder listed on the call-in notice should attend the meeting.
- 13.2.8 In the case of Cabinet decisions, the Cabinet Member is expected to attend the Scrutiny Committee considering the call-in. If a decision is made by an

individual under delegated authority, that person is expected to attend the Scrutiny Committee.

13.3 The Scrutiny Committee meeting at which the call-in is considered may, subject to the provisions set out below, resolve to deal with the call-in in one of the following ways:

13.3.1 Reject the call-in and endorse the decision.

13.3.2 Refer the matter to the decision maker for reconsideration.

13.3.3 Subject to Rule 13.5.3 below, refer the matter to Council.

13.4 In reaching the decision referred to in Rule 13.3 above, while the focus of the Scrutiny Committee is whether the decision maker had all of the information available in order to meet the principles set out in Rule 13.8, the Committee can invite such persons to attend as it considers necessary. The procedures within Rules 11.8 and 11.9 will still apply in these circumstances

13.5 Call-in - referral by a Scrutiny Committee

13.5.1 If the Scrutiny Committee decides to endorse the decision then the decision can be implemented immediately.

13.5.2 If the Scrutiny Committee decides to refer the decision back to the person or body which took the decision it shall set out in writing its reasons for so doing. The person or body concerned shall, as soon as practicable, reconsider the decision and may amend or confirm the original decision which shall be final and take immediate effect.

13.5.3 The Scrutiny Committee can only refer a decision to full Council if it considers that the decision is contrary to the policy framework or contrary to, or not wholly in accordance with, the budget set by the Council.

13.6 Call-in and urgent decisions

The call-in procedure outlined above shall not apply where the decision being taken is urgent. A decision is urgent where delay would seriously prejudice the Council's or the public's interests. The decision-maker will state at the time that the decision is made that the decision is urgent, setting out reasons.

13.7 In cases where the Chairman or three councillors on the Scrutiny Committee disagree that the matter is urgent by giving notice to the Monitoring Officer by 10.00 am on the second working day after the statement is made, the Chairman of Council and the

Monitoring Officer must agree that it is reasonable in all the circumstances that the decision be treated as a matter of urgency.

13.8 Call-in - grounds for call-in to be stated

The reason(s) for a call-in must include one or more of the following grounds:

That the decision was not taken in accordance with one or more of the following principles:

- (a) proportionality (ie the action was not proportionate to the desired outcome);
- (b) due consultation and the taking of professional advice from officers;
- (c) respect for human rights and for the Equality Duty (have these been considered);
- (d) a presumption in favour of openness;
- (e) clarity of aims and desired outcomes;
- (f) explaining the options considered and giving the reasons for the decision; or
- (g) for any other reason (to be stated).

13.9 Declaration of party whip

Any councillor on the Scrutiny Committee who is subject to a party Whip must declare to the Scrutiny Committee the existence of the Whip and the nature of it before the Committee considers any matter. The details shall be recorded in the minutes of the meeting.

13.10 General Exception

If a matter which is likely to be a key decision has not been included in the Forward Plan, then subject to Rule 13.10 (special urgency), the decision may still be taken if:

- (a) the decision must be taken by such a date that it is impracticable to defer the decision until it has been included in the next Forward Plan;
- (b) the Chairman of the Scrutiny Committee has been informed, or if there is no such person, each member of that Committee in writing, by notice, of the matter to which the decision is to be made;
- (c) copies of that notice have been made available to the public at the offices of the Council; and

- (d) at least 5 clear days have elapsed since compliance with (b) and (c).

13.11 Special Urgency

13.11.1 If by virtue of the date by which a decision must be taken Rule 13.9 (general exception) cannot be followed, then the decision can only be taken if the agreement of the Chairman of the Scrutiny Committee is obtained, that the taking of the decision cannot be reasonably deferred and the decision is urgent.

13.11.2 If there is no Chairman of the Scrutiny Committee, or if the Chairman of the Scrutiny Committee is unable to act, then the agreement of the Chairman of the Council, or in his absence the Deputy Chairman, will suffice.

13.12 Access to Documents – Additional Statutory Rights

13.12.1 Subject to the limits below, a member of the Scrutiny Committee (including Task and Finish Groups) will be entitled to copies of any document which is in the possession or control of the Cabinet or its Committees and contains material relating to

- (a) any business that has been transacted at a public or private meeting of the Cabinet or a committee of the Cabinet; or
- (b) an executive decision made by an individual member of the Cabinet in accordance with executive arrangements; or
- (c) a key decision made by an officer in accordance with executive arrangements.

13.12.2 Scrutiny members will not be entitled to:

- (a) any part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision they are reviewing or scrutinising or intend to scrutinise;
- (b) the advice of a political adviser or assistant.

14. Meeting of Committees and Subcommittees

14.1 Election of a Chairman

Except where Council has appointed a Chairman, every body shall elect a Chairman (and if it wishes a Vice-Chairman) at the first meeting after the Council's annual meeting and consider

how best its business should be conducted and recorded. In the case of the Cabinet the Leader shall take the chair. In the absence of the Chairman and Vice-Chairman from a meeting a Chairman for the meeting may be elected for that meeting. The election of the Chairman shall be conducted by the clerk to the meeting.

14.2 Where there are more than two persons nominated for any position and there is not a majority in favour of one person, the person having the least number of votes shall be struck off the list and a fresh vote taken, and so on until an overall majority of votes is given.

14.3 The Chairman or Vice Chairman of a committee or subcommittee shall hold office until the next annual meeting unless they resign by giving notice in writing to the Monitoring Officer or cease to be a member of the committee or subcommittee, or the Council.

15. Openness

All meetings shall be in public unless the business requires confidentiality and shall take place at a venue accessible to the public.

20. Appointments and Substitutes

20.1 The Monitoring Officer on the nomination of Group Leaders, or in their absence Deputy Group Leaders, appoints and removes members of committees and subcommittees, with the exception of the Cabinet.

20.2 Where a Councillor cannot attend a meeting, he or she (or their Research Assistant) will contact the Democratic Services Team by 5.00pm on the day before the meeting to let them know this and to confirm who will be coming in their place. (This will

enable the Clerk to ensure that there is, or is not, a quorum and advise all Councillors at this time should the latter apply.)
Substitutes are not permitted at Cabinet.

- 20.3 The names of substitutes shall be announced at the start of the meeting by the Chairman and the substitution shall cease at the end of the meeting.
- 20.4 Substitutes for Regulatory Committees must be drawn from members who have received training in quasi-judicial decision making. If a casual vacancy occurs on a Regulatory Committee it will not be filled until the nominated member has been trained.
- 20.5 All councillors are entitled to attend the training provided for members of Regulatory Committees.

21. Proportionality

With the exception of the Cabinet, membership of committees and subcommittees will reflect proportionality. The Monitoring Officer shall be responsible for calculating the entitlement of each political group to places on committees and subcommittees and shall notify Group Leaders.

22. Rights to attend and speak

- 22.1 Subject to Rule 22.2 any member may attend any body to which these Rules of Procedure apply and, at the discretion of the Chairman and by prior notification to him/her, may speak for no longer than five minutes on any item on the agenda (it being the normal expectation that a councillor should be permitted to speak on a matter primarily affecting that councillor's division).
- 22.2 Only members of the Dismissals Appeals Committee and the Staff Appointments Committee will be able to attend its meetings, unless they are held in public as a result of consultation with the employee(s) or candidates concerned.

23. Co-option

- 23.1 Generally a Committee, or a subcommittee (but not the Cabinet or a Regulatory Committee) may co-opt a person or persons onto the body. Any person so co-opted may speak but not vote.

23.2 Church and Parent Governor representatives

In the case of representatives of the Church of England and Roman Catholic Church and representatives of parent governors, there will be an entitlement to speak and to vote on matters involving education as required by Section 499 of the Education Act 1996 and the Parent Governor Representative (England) Regulations 2001 respectively.

23.3 Pension Fund Committee

In the case of the Pension Fund Committee, the two co-opted district or borough councillors are entitled to speak and vote. These members will be nominated annually by the Suffolk Public Sector Leaders. The co-opted employee representative member, who will be nominated by UNISON, is also entitled to speak and vote.

23.4 Firefighters' Pension Scheme Board

In the case of the Firefighters' Pension Scheme Board, the employer and member representatives are entitled to speak and vote. These members will be appointed in accordance with the rules of procedure of the Pension Board.

23.5 Audit Committee

In the case of the Audit Committee, the Committee will approve the appointment of one co-opted independent member.

Before the Audit Committee reaches a decision in a meeting, the views of the co-opted independent member must be taken into account by the Committee, but the co-opted independent member may not vote.

24. Interpretation of Rules of Procedure and Notices

Except where otherwise provided, the Monitoring Officer will consult with Chairmen, Group Spokespersons and chief officers over matters of interpretation and is responsible for making a determination if necessary. Notices to the Monitoring Officer shall be in writing and may be delivered by hand, email, fax or post.

25. Key Decisions

- 25.1 A Forward Plan of key decisions over the next four-month period will be publicised regularly as required by Regulation 9 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.
- 25.2 Key decisions will be recorded as required by Regulation 12 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.
- 25.3 The County Council has agreed a threshold of £500,000 for key decisions; Key decisions are also defined as those that, even if within the threshold, involve significant expenditure or savings, or have a significant effect on communities whether in one or more electoral divisions.

26. Outside Bodies

26.1 Any person appointed to serve on an outside body shall be appointed until they resign, are dismissed or their successor is appointed. Councillors shall cease to hold appointments (except as School Governors) on the fourth day after the ordinary day of election of County Councillors unless they are re-elected as County Councillors at the Election.

26.2 The Chief Executive will:

- a) in consultation with the appropriate Group Leaders, revise as necessary appointments to outside bodies arising as a result of a vacancy or otherwise;
- b) in consultation with the Leader of the Council and the appropriate Cabinet Members, agree the allocation of appointments to any new outside bodies or organisations.

27. Presentation of Petitions to County Council, Cabinet or Scrutiny Committee meetings

27.1 The Council welcomes petitions and recognises that petitions are one way in which people can let the Council know their concerns. All petitions sent or presented to the Council will be recorded. It should be clear from the petition who has organised it, and that will be the person contacted by Democratic Services with regard to the petition. The Council will treat something as a petition if it is identified as being a petition, or if it seems to the Council that it is intended to be a petition.

The following conditions for a petition must be met for it to be presented to County Council, Cabinet or Scrutiny Committee:

- (1) the petition is signed by 3,675 (0.5% of the population of Suffolk at May 2010) persons who live, work or study in the County Council's area;
- (2) the petition gives the signatory's name and address;
- (3) that a petition to call an officer to account must comply with (1) and (2) above and:
 - (a) request that an officer of the Council (whether identified by name or description) be called to account at a public meeting of a scrutiny committee;
 - (b) that the officer is a relevant officer as set out in Rule 27.22; and
 - (c) the petition gives grounds for the request which relate to the discharge of functions for which the officer is responsible.

- 27.2 Petitions can be submitted on paper or by using an e-petition system.
- 27.3 Petitions can be presented to a meeting of the County Council, Cabinet or a Scrutiny Committee meeting, providing the number of signatures exceeds 3,675. Normally the petition organiser will be asked to present the petition, but if they would like their councillor or someone else to present it on their behalf they should contact Democratic Services at least 10 working days before the meeting.

What are the guidelines for submitting a petition?

- 27.4 Petitions submitted to the Council must include:
- a clear and concise statement covering the subject of the petition. It should state what action the petitioners wish the Council to take; and
 - the name and address and signature of any person supporting the petition.
- 27.5 Petitions should be accompanied by contact details, including an address, for the petition organiser. This is the person the Council will contact to explain how it will respond to the petition. Anonymous petitions will not be accepted by the Council.
- 27.6 Petitions which are considered to be vexatious, abusive or otherwise inappropriate will not be accepted. In the period immediately before an election or referendum the Council may need to deal with a petition differently – if this is the case the reasons for doing so will be explained as well as the revised timescale which will apply. If a petition does not follow the guidelines set out above, the Council may decide not to do anything further with it. In that case, the Council will write to the petitioner to explain the reasons.

What will the Council do when it receives a completed petition?

- 27.7 An acknowledgement will be sent to the petition organiser within 10 working days of Democratic Services receiving the petition. It will let them know what the Council plans to do with the petition and when they can expect to hear from the Council again.
- 27.8 If the Council can do what the petition asks for, the acknowledgement may confirm that the Council has taken the action requested and the petition will be closed. When the petition has closed, Democratic Services will confirm whether the petition has sufficient signatures to be considered by full Council, Cabinet or the Scrutiny Committee and state when and where both the formal meeting, and the pre-meeting (see

paragraph 27.13) will take place. If the petition needs more investigation, the Council will set out the steps that it will take.

- 27.9 If there are a number of similar petitions that, individually, do not exceed the 3,675 signatures required, at the discretion of the Monitoring Officer then these can be combined. If the combined total of signatures then exceeds 3,675 then the subject will be considered by full Council, Cabinet or the Scrutiny Committee.
- 27.10 If the petition applies to a planning application, is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal, other procedures apply.
- 27.11 The Council will not take action on any petition which it considers to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in its acknowledgement of the petition.

How will the council respond to petitions?

- 27.12 The Council's response to a petition will depend on what a petition asks for, but may include one or more of the following:
- taking the action requested in the petition
 - considering the petition at a Council meeting
 - considering the petition at a Cabinet meeting
 - holding an inquiry into the matter
 - undertaking research into the matter
 - holding a public meeting
 - holding a consultation
 - holding a meeting with petitioners
 - referring the petition for consideration by the Scrutiny Committee
 - calling a referendum
 - writing to the petition organiser setting out the Council's views about the request in the petition
- 27.13 If the petition exceeds 3,675 signatures, the petition organiser will be contacted and offered a meeting with the relevant Cabinet member, group leaders (or their representative) and the relevant local councillor (if appropriate to the subject of the petition). Following the meeting, the Cabinet member will prepare a report that will summarise the meeting and explain what the Council's response to the petition will be. This report will be presented to the next Council.
- 27.14 If the petition is about something over which the Council has no direct control the Council will consider making representations on behalf of the community to the relevant body. The Council works with a large number of local partners and where possible will work with these partners to respond to the petition. If the

Council is not able to do this for any reason (for example if what the petition calls for conflicts with Council policy), then the Council will set out the reasons for this to the petitioner.

- 27.15 If the petition is about something that a different council is responsible for then the Council will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other Council, but could involve other steps. In any event the Council will always notify the petitioner of the action it has taken.

What will happen at Full Council?

- 27.16 If a petition contains more than 3,675 signatures it will be considered by the full Council unless:

- (a) it is a petition asking for a senior council officer to give evidence at a public meeting; or
- (b) the petitioner indicates that they would prefer it to be considered by Cabinet or Scrutiny Committee.

This means that the issue raised in the petition will be discussed at a meeting which all councillors can attend. The Council will endeavour to consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. Normally, petitions will be listed on the agenda. However, if petitions are received less than 10 days before a Council meeting, it will be at the Chairman's discretion whether the petition will be received or held for the following meeting.

- 27.17 Following the meeting referred to in paragraph 27.13 above, the details of the petition and the Cabinet member's report will be included on the Council agenda.

- 27.18 The petition organiser will be given five minutes to present the petition at the meeting. The leader of each of the political groups, or another nominated councillor from their group, will then be given three minutes each to comment on the petition. The relevant Cabinet member will then be given five minutes to respond to what the petition organiser and councillors have said, and explain what action will be taken by the Council with regard to the petition, as set out in their report. That action may include one or more of the options listed in paragraph 27.12, or an alternative.

- 27.19 Where more than one petition (each with more than 3,675 signatures) on the same subject has been received, each petition organiser will be given five minutes to present their petition. When all petition organisers have spoken, each group leader, or another nominated councillor from their group, will have three minutes to comment on all of the petitions, with the relevant Cabinet member then given five minutes to respond to

what the petition organiser and councillors have said, and explain what action will be taken by the Council with regard to the petition, as set out in their report. That action may include one or more of the options listed in paragraph 27.12, or an alternative.

- 27.20 This procedure will also apply if the petition is presented to Cabinet or the Scrutiny Committee.

Calling an officer to account

27.21 A petition may ask for a senior council officer to give evidence at a public meeting about something for which the officer is responsible as part of their job. For example, a petition may ask a senior council officer to explain progress on an issue, or to explain the advice given to councillors to enable them to make a particular decision.

27.22 If a petition contains at least 3,675 signatures, the relevant senior officer will give evidence at a public meeting of the Scrutiny Committee. The following is a list of the senior officers that can be called to give evidence:

(a) statutory chief officers within the meaning of Section 2 of the Local Government and Housing Act 1989;

(b) non-statutory chief officers within the meaning of Section 2 of the 1989 Act; and

(c) the head of the Council's paid service.

The Scrutiny Committee may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition – for instance if the named officer has changed jobs. Such a substitute officer must be within the definitions in 27.22(a)-(c) above. The Committee may also decide to call the relevant councillor to attend the meeting. Committee members will ask the questions at this meeting, but a petitioner will be able to suggest questions to the chair of the committee by contacting the Head of Democratic Services up to three working days before the meeting.

E-petitions

27.23 E-petitions submitted to the Council must follow the same guidelines as paper petitions. The petition organiser will need to provide the Council with their name, postal address and email address. The Council will either need to be provided with an electronic copy, or a print-out of all those who have signed the e-petition, or be given on-line access to be able to verify the details. The process the Council will use for dealing with submitted e-petitions is the same as described above.

What can a petition organiser do if they feel the petition has not been dealt with properly?

- 27.24 If a petition organiser feels the Council has not dealt with a petition properly, the petition organiser has the right to request that the Scrutiny Committee review the steps that the Council has taken in response to the petition. The petition organiser must give a short explanation of the reasons why the Council's response is not considered to be adequate.
- 27.25 The Scrutiny Committee will endeavour to consider the request at its next available meeting. Should the committee determine the Council has not dealt with a petition adequately, it may use any of its powers to deal with the matter. These powers include instigating an investigation, making recommendations to the Cabinet and arranging for the matter to be considered at a meeting of the full Council.
- 27.26 Once the appeal has been considered the petition organiser will be informed of the results within 5 working days. The results of the review will also be published on the Council's website.

Exemption to the petitions procedure

- 27.27 This procedure will not apply to a petition that, in the opinion of the Monitoring Officer, concerns a matter that is due to be considered at a meeting of a Regulatory Committee or any other committee required to act according to quasi-judicial principles. Such a petition shall be reported to the appropriate committee as part of the committee's normal consideration of the matter concerned.

28. Public Speaking at County Council and Committee Meetings

28.1.1 Any member of the public may speak at any meeting of the Development and Regulation Committee, on any matter before the Committee for consideration at that meeting, where appropriate notice has been given.

28.4.1 A maximum of 20 minutes public speaking time will be available at the beginning of meetings which are open to the public (other than County Council, Cabinet, Development and Regulation Committee and any committee considering individual cases where other arrangements are in place). Subject to the above, any member of the public, being resident in or a registered local government elector for Suffolk, may speak for up to five minutes on a matter relevant to the agenda published for that meeting, where appropriate notice has been given.

28.4.2 A member of the public may not ask a question during public speaking time.

28.4.3 There is no requirement for a response from officers or councillors to a statement made by a member of the public.

28.5 General

28.5.1 In responding to any member of the public all Councillors shall observe the principles set out in the Members' Code of Conduct and shall also refrain from making personal or

defamatory remarks against, disclosing personal information about, or referring to any past or present political affiliations or views held by, such members of the public, unless the public speaker refers to these.

28.5.2 At the discretion of the Chairman, members of the Council or its committees will be able to seek clarification of any points, or confirmation, from a public speaker whilst the relevant agenda item is being discussed.

28.5.3 Details of the procedures for public participation in meetings of the Council and its committees will be made publicly available.

29. Application of these Rules of Procedure

29.1 All of the Council Rules of Procedure apply to meetings of full Council.

29.2 The following rules apply to meetings of committees and subcommittees: Rules 5, 8, 10, 14 - 24.
