

Key Decision Forward Plan

Purpose

The purpose of this document is to give sufficient notice to people affected by key decisions to exercise their rights to see papers and make an input into the decision-making process.

Key Decisions

At Suffolk County Council, most key decisions are made by the Cabinet. Setting the budget is a decision of the County Council. Some key decisions may be made under specifically delegated authority as defined in the Council's [Constitution](#).

Regulation 8 of the Local Authorities (Executive Arrangements) (Access to Information) (England) Regulations Part III [Statutory Instruments 2000 No 3272] states:

8 (1) In these regulations a 'key decision' means an executive decision which is likely:

- a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the local authority's budget for the service or function to which the decision relates; or
- b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

Threshold

Suffolk County Council has adopted a threshold of £500,000 for key decisions.

This plan includes decisions which the decision maker has decided are key decisions in that they:

- a) involve significant expenditure or savings; or
- b) have a significant effect on communities,

even though they are either below the adopted threshold or impact on people in one electoral division only.

Key Decision: 29 December 2025 to 27 January 2026

Subject:	20 mph Speed Limit Policy
Is this a key decision?	No
Date key decision to be made:	9 January 2026
Decision maker:	Cabinet
Cabinet Member:	Councillor Chris Chambers, Cabinet Member for Transport Strategy, Planning and Waste
Description:	The report will seek approval to publish an updated policy on relating to 20mph limits in Suffolk. This request and additional documents outline Suffolk's updated 20mph policy, providing an opportunity to empower our local communities to improve road safety and quality of life. It is important to understand that this is not a blanket policy for a county-wide default 20mph limit. Instead, it is a toolkit designed to help communities introduce 20mph limits where they are most appropriate and have strong local support..

Subject: Devolution Priority Programme: Suffolk County Council's response to Government's statutory consultation on Local Government Reorganisation in Suffolk.

Is this a key decision? Yes

Date key decision to be made: 9 January 2026

Decision maker: Cabinet

Cabinet Member: Councillor Richard Rout, Cabinet Member for Devolution, Local Government Reorganisation and NSIPs

Description: As a member of the Government's Devolution Priority Programme (DPP) the County Council submitted its One Suffolk Local Government Reorganisation (LGR) business case proposal for a single Suffolk unitary council on 26 September 2025. On 19 November 2025, Government launched its statutory consultation on proposals for LGR in Suffolk, which is due to close on 11 January 2026. This consultation provides key evidence for the Minister's decision on which form of LGR they are 'minded to' implement in Suffolk. Therefore, it is incumbent on the County Council to ensure a timely and robust response to it.

Documents to be submitted: Report by the Executive Director of Growth, Highways and Infrastructure and consultation response will be submitted for consideration.

Subject: Local Government Reorganisation (LGR): Response to Ministerial Letter of 18 December 2025.

Is this a key decision? Yes

Date key decision to be made: 12 January 2026

Decision maker: Cabinet

Cabinet Member: Councillor Richard Rout, Cabinet Member for Devolution, Local Government Reorganisation and NSIPs

Description: On 18 December, the Minister gave a Written Ministerial Statement and wrote to Leaders of councils with elections in May 2026 where proposals for reorganisation have been submitted and decisions not yet taken. These invited those Leaders to set out views on the postponement of their local election and whether it is considered that this could release essential capacity to deliver local government reorganisation in the area.

Whilst the decision to delay elections rests with the Minister, the decision on whether or not to request a delay is an Executive decision for Cabinet.
