

ROGUE TRADERS

What is it?

Rogue traders call uninvited to your home to sell goods and services. They generally target more vulnerable people and provide poor quality, unfinished and often unnecessary work.

Work offered may include:

- Driveways and paving
- Garden maintenance
- Home/roofing and gutter repairs
- Disability equipment and aids
- Security alarms and products
- Pension and investments

Top tips to stay safe

Do not agree to have any work done until:

- You have checked the trader's name and address
- You have given written notice of your right to cancel
- You have checked the price by getting other quotes
- You have a clear agreement on the work to be done and how much it will cost

If you do not want a service, do not feel obligated to accept it.

Never let someone into your home that you do not trust.
