1. Introduction

The County Council is responsible for co-ordinating the admission arrangements for all Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust schools, Academies and Free schools in Suffolk. As an Academy, the Governing Body of Debenham High School (DHS) is responsible for its admissions and has a statutory duty to consider all applications where DHS is named as a preferred school. This admission policy will be reviewed annually by the governors following consultation with the Academy Trust members and, if changes are proposed, the county council, diocesan authorities and parents.

The Governing Body has agreed the Published Admission Number (PAN) of 125 for each year in the school. Where an applicant is offered a school place following an in-year application, and the offer is accepted, arrangements should be made for the child to start school as soon as possible, particularly where the child is out of school.

2. Definitions

a. Ordinarily resident

By ordinarily resident we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. If you use another address to give the impression that your child lives at a different address to where they are ordinarily resident, such as a second home or a grandparent's address, so that you have a higher priority for a place at that school; we consider this to be a fraudulent application. Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child's living arrangements at the time of application.

In cases where the child spends an equal proportion of the school week at two or more different addresses (evidence of which is required) the main contact address will be required to support the application. Agreement in writing by the parents will be required to state which address is to be used as the ordinarily resident address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

If we are aware of a parental dispute affecting the application, we may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter. Gypsy, Roma or Traveller children will be considered as 'ordinarily resident'.

For children of UK service personnel with a confirmed posting or Crown servants (Officers employed by departments of the UK Government, such as FCO, DFID, UKVi, UKTi) returning from overseas to live in the area, we will allocate a school place in advance of the family arriving in the area, provided their application is accompanied by an official letter (Official Government letter issued by a Government department, e.g. FCO, DFID, UKVi, UKTi) declaring a relocation date.

b. Sibling

By sibling we mean:

- Children living at the same address who have one or both natural parents in common
- Children living at the same address who are related by a parent's marriage
- Children living at the same address whose parents are living as partners at this address

c. Regular Worship of a family member

Regularly worship is defined as attendance on average at least once a month for at least the last six months at a Christian church which is a member of Churches Together in Britain and Ireland or of the Evangelical Alliance. The "families" means one or both parents/carers/guardians.

d. Schools within The Heart of Suffolk Education Trust

- Creting St.Mary CEVAP
- Worlingworth CEVE Primary School

e. Pyramid Primary Schools

- Bedfield CEVCP
- Earl Soham CP
- Helmingham CP
- Sir Robert Hitcham CEVAP, Debenham
- Stonham Aspal CEVAP
- Trinity CEVAP
- Wetheringsett CEVCP

f. Distance from the school

We will measure the distance by a straight line ('as the crow flies'). All straight-line distances are calculated electronically by the LA using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.

In the unlikely event of two or more applicants who live the same distance from the school competing for a single place, a random allocation process will be supervised by someone independent of the school.

3. Admission Priorities

If the number of applications for Debenham High School is greater than our 125 PAN, we use our admissions oversubscription criteria to decide who gets a place.

The following admissions oversubscription criteria show the order of priority for places at Debenham High School. These criteria will be applied according to the circumstances existing at the specified closing date.

In order that the Governors have legitimate information on which to base a decision, applicants are asked to complete a Supplementary Information Form (SIF) (see Appendix B) if their application refers to this category. These forms are available at the school or from the Local Authority. Completion of a SIF is NOT a valid application in itself – the CAF1 or ADM1 for in-year applications must be completed by hand or online to make a valid application for a place.

Governors have a statutory duty to admit applicants with an Education, Health and Care plan (EHCP), where this school is named as being the best able to provide the most appropriate educational provision for the named child.

1. Children who are looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after), including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Previously looked after children includes children who were adopted under the Adoption Act 1976 (section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (section 46 adoption orders). Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

Children adopted from state care outside of England: A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society and ceased to be in state care as a result of being adopted.

Places will be awarded on the basis of the following criteria and priorities:

2. Children of families who are ordinarily resident in the school's catchment area (see Appendix A; also available from the Local Authority's Admission Team).

Those within catchment will be sub-ranked with the following priority:

- a. Those who have a sibling who will still be attending the school at the time of admission.
- b. Those who regularly worship or whose families regularly worship.
- c. All other in-catchment applicants ranked by distance from the school.

3. Children of families who are not ordinarily resident in the school's catchment area (see Appendix A; also available from the Local Authority's Admission Team).

Those not ordinarily resident in catchment will be sub-ranked with the following priority:

- a. Those who have a sibling who will still be attending the school at the time of admission.
- b. Those who regularly worship, or whose families regularly worship.
- c. If the parent or guardian of a child is a member of staff at Debenham High School and the member of staff has either been employed for a minimum of two years at the time at which the application for admission to the school is made; and/or has been recruited to fill a vacant post for which there was a demonstrable skill shortage.
- d. Those children who attend one of the designated Pyramid Primary Schools (but who do not reside in the school's catchment area).

- e. All other beyond catchment applicants ranked by distance from the school.

If the final place available at the school is offered to a twin, triplet etc and the remaining siblings would be ordinarily refused, the Governors will offer places to the remaining sibling(s) at the same school. It is not the Governors' policy to separate twins or triplets.

4. Applying for a place in the School at any other time

Applications should be made on the ADM1 and then sent by the applicant directly to us at the school. (We recommend that this is sent by recorded delivery and that if sent electronically, a receipt is received. Available places will be allocated in the order that the School receives applications. If two or more applications are received for a single place at the same time then the Admission Priorities criteria laid down in section 2 of this Policy (A1 to B5) will be applied. Once a place is offered and accepted the school will only hold this place for one term from the date of the offer.

5. Application Procedures

a. Applications for Year 7 places

Applications for these places must be made on the Local Authority's Normal Year of entry application form (CAF1) together with a Supplementary Information Form (SIF) if necessary. The CAF1 can be obtained from the Local Authority or can be completed online at www.suffolk.gov.uk/admissions. Completed forms should be returned, in all cases, to the Local Authority by the date designated by them. Applicants will be notified of the result of their application directly by the Local Authority. The national closing date for applications for the following September is 31 October and the national offer date is 1 March or the next working day. Further information can be found in the Local Authority publication – Admissions to Schools in Suffolk.

b. Applications in-year or for admission to Years 8, 9, 10 or 11

Applications should be made on the ADM1 which should be sent directly to us. Available places will be allocated in the order that the School receives applications. The school will then convene a meeting or communicate with 3 governors from the Admissions Committee to consider the application. If the year group has vacancies, ie has less than 125 pupils, the application will normally be accepted. Upon receipt of an in-year application, the admission authority...should aim to notify the parents of the outcome of their application in writing within 10 school days, but they **must** be notified in writing within 15 school days of receiving the application form. If your application for a school place is refused, we will not consider a further application for a place in the same school in the same academic year unless there has been a significant change in the circumstances of the parent, child or school. Such circumstances might be a house move or a place becoming available at the school.

c. Waiting List

The school keeps a waiting list of those unsuccessful in their initial application for Year 7 entry. Names are placed on the waiting list according to the Admission Priorities set out in section 2 above. Each admission authority **must** maintain a clear, fair, and objective waiting list until at least **31 December** of each school year of admission, stating in their arrangements that each added child will require the list to be ranked again in line with the published oversubscription criteria. Names can be added until this time.

The order of children on the waiting list will not remain static; it will change as circumstances change, for example due to withdrawals or additional applications.

Parents/carers must inform the school if their address changes as their child's place on the waiting list may be affected.

Having your child's name on the Debenham High School waiting list will not alter your right to appeal for a school place in any of the schools you have applied for.

The school will offer places that become available in accordance with the Admission Priorities laid down in section 2 above and not on the basis of the date on which names were placed on the list.

The school will not hold a waiting list for applications for school places in-year or for those entering Years 8-11.

6. Out of Normal Age Group Requests

It is expected that children will normally be educated within their chronological year group. However, if requested to do so by the parent, we will consider an application out of chronological age and make a decision on the basis of the circumstances of each case and in the best interests of the child concerned in line with the School Admissions Code.).

Parents/Carers should make a request to us in writing. This will need to include, where relevant, any supporting evidence. We will make a decision on the request, through consultation with the child's current school. We will write to the parent/carer with the outcome including the reasons for the decision. If successful, a CAF1 or ADM1 application form must be sent to the LA along with the decision letter(s) from the school. Even if the request is agreed there is no guarantee there will be a place available.

7. All Applicants

If the Governing Body's decision is not to grant a place for your child, you have the right to appeal against their decision. You will be sent information on how to appeal. There is no deadline for the submission of appeals, which are independently administered.

8. Contact

For any queries please contact in the first instance the School Admissions Officer on 01728 862918 or Suffolk County Council, Admissions Team, Endeavour House, Russell Road, Ipswich, IP1 2BX. Tel: 0345 600 0981.
