Introduction to admissions in Suffolk

This directory provides information about primary (including infant and junior) schools in Suffolk in the 2027/2028 school year. It does not cover independent schools.

Suffolk County Council (SCC) Funded School Travel

Please be aware: You **must** consider how your child will travel to and from school **before** you apply for a school place. The following information is very important:

1. We will provide SCC funded school travel to the **Nearest Suitable School** that would have had a place available for your child when they are: a) aged under 8 and live more than two miles from the school; or b) aged 8 or older and live more than three miles from the school. This would be whether or not an application was made for a place at that school. The distance in a) and b) above is called the **statutory walking distance**.
2. **We will only provide SCC funded school travel to your child's catchment area school when it is the nearest suitable school to their home that would have had a place available for them and they meet the distance criteria.**
3. It is important that you check which school is your child's nearest suitable school on our **Nearest School Checker** for the **2027/2028 school year.** You can find out which are the three nearest Suffolk schools (based on the statutory walking distance including Public Rights of Way) by putting your child's postcode into the Checker which can be found at nearestschool.suffolk.gov.uk. **We update this each year to include new roads and developments.**
4. Your **School Preferences** and the order in which you put them on your admissions application could affect your child's eligibility for SCC funded school travel. Our **School Travel Scenarios** can help you work out when your child might be eligible for SCC funded school travel to their school when the age and distance criteria are met. These can be found in Step 4 of the relevant 'Apply for a school place' page online at www.suffolk.gov.uk/admissions.
5. **Full details about SCC funded school travel**, including the School Travel Policy, additional arrangements for low income families and those with Special Educational Needs and Disabilities (SEND), can be found at www.suffolkonboard.com/schooltravel.

School Admissions

You can decide which schools to apply for and you do not have to apply for your child's nearest suitable school. This could mean that they would not be eligible for SCC funded school travel to any school, including their catchment area school.

For the normal year of entry, it is important that we receive your application by the relevant closing date. If you do not apply by the relevant closing date your application may not be dealt with until after places have been offered to those who applied on time. You should apply online and **must** submit your application by this date:

Secondary schools
► Your application must reach us by **Saturday 31 October 2026**

Primary (including infant and junior) schools
► Your application must reach us by **Friday 15 January 2027**

If for any reason you are unable to apply online, you should complete the paper application (CAF1) and send this to us so that we receive it by the relevant closing date. If you do not apply by the relevant closing date your application may not be dealt with until after places have been offered to those who applied on time. You cannot apply online after the relevant closing date.

All of the information about applying for a school place can be found in this guide and online at www.suffolk.gov.uk/admissions.

Apply online at www.suffolk.gov.uk/admissions

Important dates

These dates only apply to applications for the normal year of entry. All of the information about applying for a school place for the normal year of entry can be found in the 'Admissions to Schools in Suffolk 2027/2028' guide online at www.suffolk.gov.uk/admissions, or you can request a paper copy by contacting us on 0345 600 0981 (local rate).

	Secondary schools	**Primary (including infant and junior) schools**
You should apply online at www.suffolk.gov.uk/admissions or fill in a CAF1 paper application form.	From Saturday 12 September 2026	From Saturday 12 September 2026
National closing date for applications (online and paper)	**Saturday 31 October 2026**	**Friday 15 January 2027**
If you were unable to apply by the relevant closing date, and we agree that there are very exceptional reasons for an application being late, we will consider it as on time if it is received by this date and evidence is provided with your application. This only applies in circumstances outside your control which made it impossible for the application to have been made on time. If you are moving house, this is the latest date for you to provide written evidence to the Admissions Team that you are legally committed to your move so that your new address can be considered in the on time allocation process.	Wednesday 16 December 2026	Thursday 4 February 2027
National Offer Day If you applied online, we will send you an email to let you know which school has been offered. If you applied on a paper application form, we will send you a letter by second class post to let you know which school has been offered.	Monday 1 March 2027	Friday 16 April 2027
We will consider late applications (further information is online at www.suffolk.gov.uk/admissions).	From Monday 1 March 2027 onwards	From Friday 16 April 2027 onwards
You do not need to contact us to accept a place at a Suffolk school. We will assume that you have accepted the place offered (if you applied on time) unless you let us know in writing by this date. This does not affect your right to appeal for any of the schools your child has been refused a place at.	Monday 15 March 2027	Friday 30 April 2027
Date by which you should register an appeal if you applied on time.	Tuesday 13 April 2027	Monday 17 May 2027
Appeals for on time applications to be heard by this date.	Wednesday 16 June 2027	Monday 19 July 2027

A quick guide to applying for a school place

This directory provides information about primary (including infant and junior) schools in Suffolk in the 2027/2028 school year. It does not cover independent schools. It explains how places are offered when a school gets too many applications. There is a separate directory which provides information for secondary schools.

Normal year of entry applications

If you are applying for a school place in the normal year of entry, please read the 'Admissions to Schools in Suffolk 2027/2028' guide for information on how and when to apply for a school place. The normal years of entry for schools from September 2027 are shown below:

School Phase	Normal Year of entry
Primary and Infant	Reception Year*
Junior	Year 3
Secondary	Year 7

***You must apply for a school place if your child was born between 1 September 2022 and 31 August 2023**. You must make an application for a full-time Reception Year school place even if your child is already attending a nursery class in a primary or infant school, a pre-school or a family hub next to a school site. This is because a place in a nursery class, pre-school or family hub does not guarantee your child a full-time place at that school.

It is important that we receive your application by the relevant closing date, please see page 4. You should apply online and submit your application by this date. If for any reason you are unable to apply online, you should complete the paper application (CAF1) and send this to us so that we receive it by the relevant closing date. We recommend you apply for more than one school.

If you do not apply by the relevant closing date your application may not be dealt with until after places have been offered to those who applied on time. This means that all available places at your preferred school(s) may have been filled and it could be some time before you know the outcome of your application. You cannot apply online after the relevant closing date.

In-year applications

An in-year application is made when a parent or carer applies for their child to go to a new school during the school year, or at the start of the school year but in a different age group from the school's normal year of entry. Information on in-year applications is available online at www.suffolk.gov.uk/admissions or by contacting us on 0345 600 0981 (local rate).

All of the information about applying for a school place can be found online, including Frequently Asked Questions (FAQs), at www.suffolk.gov.uk/admissions.

Or you can contact the Admissions Team:

By email: admissions@suffolk.gov.uk **By phone:** 0345 600 0981 (local rate)
By post: The Admissions Team, Endeavour House, 8 Russell Road, Ipswich, Suffolk, IP1 2BX

Key information about schools

Suffolk's co-ordinated admissions scheme

There are different types of schools in Suffolk (maintained, academies and free schools) and we co-ordinate admissions to the normal year of entry for them all.

The **co-ordinated admissions scheme** can be found under 'Further information' on the relevant page online at www.suffolk.gov.uk/admissions. You can also request a paper copy by contacting us on 0345 600 0981 (local rate). This document provides the detailed admission arrangements for Suffolk and is in place to make sure all applications are handled fairly, consistently and efficiently. It applies to all schools in Suffolk to ensure that children across the county are offered a single school place on the same day.

For in-year applications, you will need to apply to some schools directly. In these cases, the school's governing body or academy trust will process your application. For all other schools in-year applications will be processed by Suffolk County Council. The different types of schools in Suffolk and information about where to send your application are shown below:

School type	Send normal year of entry application to	Send in-year application to
Maintained schools A maintained school is a state school funded by central government through the local authority and does not charge fees. These include community, voluntary controlled and voluntary aided schools.		
Community and Voluntary Controlled (VC) schools We are the admissions authority for these schools, and we are responsible for setting the admissions arrangements and allocating places according to Suffolk County Council's published oversubscription criteria.	Suffolk County Council	Suffolk County Council
Voluntary Aided (VA) schools These schools are run by the school governors, so the school's governing body is the admissions authority. They are responsible for setting the admissions arrangements and allocating places according to their published oversubscription criteria.	Suffolk County Council	School
Academies and free schools Academies and free schools receive their funding directly from central government and are outside of Suffolk County Council's control. These schools are run by the governing body or academy trust. They are the admissions authority responsible for setting the admissions arrangements and allocating places according to the published oversubscription criteria. Some schools will become academies during the school year.	Suffolk County Council	School

How places are offered

How places are offered if there are more applications than places available

If a school receives more applications than it has places available ('oversubscribed') then the school's published oversubscription criteria are used to decide which applicants will be offered a place. We will offer your child a place at the highest ranked school where possible.

Depending on the type of school, these decisions are either made by Suffolk County Council, the school's governing body or by the academy trust. You can find the oversubscription criteria for all schools online at www.suffolk.gov.uk/admissions or by clicking on the link in the list of schools in this Directory. Further information is on page 13 'Admission policies'.

Suffolk County Council's admissions oversubscription criteria for community and voluntary controlled schools

Where there are more applications than places available, we will rank your application using Suffolk County Council's admissions oversubscription criteria below.

Children who have an Education, Health and Care (EHC) plan which names the school must by law be offered a place at that school.

The following admissions oversubscription criteria show the order of priority for places at community and voluntary controlled schools and at those voluntary aided, free schools and academies where they have agreed to operate the same policy as Suffolk County Council. Further information is on page 13 'Admission policies'.

These criteria may also be used to allocate places at schools that were community or voluntary controlled schools when their admissions arrangements were determined for the 2027/2028 school year but have since converted to academy status.

For applications to the normal year of entry at a school, these criteria will be applied according to the evidence provided to show the circumstances existing before midnight at the end of the relevant closing date. For in-year applications, these criteria will be applied according to the evidence provided to show the circumstances existing at the time of application.

1)	Children in care (looked after children) and children who were previously in care (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been in care, including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted).
2)	Sibling: where the child has a sibling in the school or a sibling has already been offered a place at the school, and where the sibling will still be attending the school at the time of admission but not in a specialist unit or a specialist resource base for Hearing Impaired provision, a nursery or in the sixth form. Priority will be given, where necessary, to applications where there is the smallest age gap in calendar days between the child's date of birth and the date of birth of any sibling already attending the school, or who has been offered a place at the time of application. The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children from

	different family units, where those separate families are living together at the same address, are not considered siblings under this criterion. The sibling criterion will also apply to applications to Fairfield Infant and Colneis Junior Schools, Felixstowe, as these are paired infant and junior schools. We will treat applicants as siblings when the older child is already attending Colneis Junior School or will be offered a place at this school in the normal year of entry. In cases where the younger child is about to start in the Reception Year group in Fairfield Infant School and the older child is due to transfer to Colneis Junior School, we will treat both applicants as siblings. Similarly, we will use the sibling criterion for an application to Colneis Junior school if the younger child is already attending or has been offered a place at Fairfield Infant school.
3)	Children who are ordinarily resident in the catchment area who live nearest to the school. We will measure the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which the straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.
4)	Children who live outside the school's catchment area who live nearest to the school. We will measure the distance by a straight line ('as the crow flies') as set out in criterion 3) above.

Notes to Suffolk County Council's admissions oversubscription criteria

Parent

For the purposes of education law, section 576 of the Education Act 1996 defines a 'parent' as:

- all natural (biological) parents, whether they are married or not
- any person who, although not a natural parent, has parental responsibility for a child or young person (this could be a step-parent, guardian or other relative)
- any person who, although not a natural parent, has care of a child or young person.

A person has care of a child or young person if they are the person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child.

Children in care (looked after children)

A 'child in care' or a 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

Children previously in care (previously looked after children)

Children previously in care (previously looked after children) includes children who were adopted under the Adoption Act 1976 (section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (section 46 adoption orders). Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

Children adopted from state care outside of England

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society and ceased to be in state care as a result of being adopted.

Sibling tie-breaker

Priority will be given, where necessary, to applications where there is the smallest age gap in calendar days between the child's date of birth and the date of birth of any sibling already attending the school, or who has been offered a place at the time of application.

In the unlikely event that two applicants competing for a single place at a school have the same number of days difference in age from their closest aged sibling, the place will be offered to one applicant on the basis of lots drawn by an officer of Suffolk County Council not involved with admissions.

Distance tie-breaker

It is possible that the PAN of the school will be reached in any one of the categories. For this reason, all applications will be prioritised according to the criteria described. Decisions will be made about the offer of places in accordance with those priorities. If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. We will give priority to the applicants who live nearest to the school as measured by a straight line.

In the unlikely event that two applicants competing for a single place at a school live the same distance from the school, the place will be offered to one applicant on the basis of lots drawn by an officer of Suffolk County Council not involved with admissions.

Twins, triplets and other multiple births

If the final place available at a school is offered to a twin, triplet or other multiple birth and the remaining sibling(s) would ordinarily be refused, Suffolk County Council will offer places to the remaining sibling(s) at the same school. The law requires that this will apply even in those primary schools where this would mean that more than 30 pupils would be admitted to an infant class with a single qualified teacher. Where a sibling of a twin, triplet or other multiple birth has a school named on their EHC plan, we will from the date of issue of the EHC plan treat their twin, triplets or other multiple births under the sibling oversubscription criterion for the named school. This does not apply to siblings of children in a specialist unit or a specialist resource base for Hearing Impaired provision or a nursery, because they do not meet the sibling definition in the oversubscription criteria.

Waiting lists

If we are unable to offer your child a place at your preferred school(s) in the normal year of entry, we will automatically add their name to the waiting list for that school(s). Names are placed on the waiting list in the priority order set out in the school's admissions oversubscription criteria.

The order of the waiting list can change each time a child's name is added or the circumstances of a child already on the list changes. As a result, a child's place on the list can go up or down (for example due to withdrawals or late applications). If you change your address while your child is on a waiting list, you must let us know. Please be aware that this may change your child's position on the waiting list. Written evidence of this will be required.

Having your child's name on a waiting list will not affect your right to appeal for any of the schools your child has been refused a place at.

Late applicants will be added to any waiting lists in oversubscription priority order if their parental preferences cannot be met. If a place becomes available at a school, it will be offered to the child who is ranked highest on the waiting list. Places are not offered based on the date on which names were placed on the list.

The waiting lists for community and voluntary controlled schools will close on 31 December 2027. The waiting lists for those voluntary aided, free schools and academies who have agreed to operate the same policy as Suffolk County Council will also close on 31 December 2027.

Information on when the waiting lists close for voluntary aided, free schools and academies who do not follow the same policy as Suffolk County Council is available from the schools directly.

Suffolk County Council does not hold waiting lists for in-year applicants.

Making another application for a place at the same school

You can apply for a school place for your child through the in-year process and we will consider this. If your application has been refused, we will not process another application for the same school in the same school year, unless there has been a significant change in circumstances of the parent/carer, child or school. This might be a house move or a place becoming available at a school.

If there is no significant change in circumstances, you can make another application for the following school year. This will not normally be considered more than one term ahead of the date when you want your child to start at the school.

Ordinarily resident

By ordinarily resident we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. If you use another address to give the impression that your child lives at a different address to where they are ordinarily resident, such as a second home or a grandparent's address, so that you have a higher priority for a place at that school; we consider this to be a fraudulent application. Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child's living arrangements at the time of application.

In cases where the child spends an equal proportion of the school week at two or more different addresses, evidence of which is to be considered the main contact address will be required to support the application. Agreement in writing by the parents will be required to state which address is to be used as the ordinarily resident address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

If we are aware of a parental dispute affecting the application, we may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter.

Please note: we will not consider a child to be ordinarily resident at an address that they sometimes sleep at due to childcare arrangements. For example, if a child sleeps at their grandparent's address some nights during the school week whilst one of their parents works

shift patterns, we will not accept the grandparent's address for the purposes of allocating a school place.

Catchment area schools

Every community and voluntary controlled school serves an area of streets or villages. Catchment area lists and maps are available online at www.suffolk.gov.uk/catchmentmaps. If you live near to a boundary line on the map, please check your address against the catchment area and/or street lists. A list or copy of a map can also be obtained from the Admissions Team.

A catchment area school may not be the nearest suitable school to your child's home address. If this is the case, we would not normally provide SCC funded school travel for your child to their catchment area school.

Please note: Some voluntary aided, free schools and academies do not have catchment areas.

Applications for a place outside the normal age group

It is expected that children will normally be educated within their normal age group (chronological year group). When a request is made for a child to be educated out of their normal age group, admission authorities will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned in line with the School Admissions Code.

This includes when you wish for your summer born (April to August) child to start full-time education in the Reception Year group when they reach compulsory school age rather than in Year 1.

You need to be aware that any decision made by an admission authority about a change to the normal age group will not be binding on any other admission authorities considering applications for this year group or schools in later years. The admission authorities of the preferred schools named in such an application would have to consider the evidence provided and reach their own conclusion, in the light of the legislation and guidance available at that time.

There are different ways of making a request for delayed or accelerated transfer depending on what type of school you intend to apply for:

Community and voluntary controlled schools: You can make a request in writing for a delayed or accelerated transfer to the Admissions Team. This will need to include, where relevant, any supporting information about why your child should be admitted out of their normal age group.

When considering the request this will include, but is not limited to, taking account of your views as the parent or carer; information about your child's academic, social, and emotional development; whether your child has previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. Any evidence in respect of these or any other reasons can be submitted. Where relevant, consideration can be given to your child's medical history and any evidence from a medical professional involved with your child's care or treatment such as:

- a speech and language therapist
- an occupational therapist
- a social worker
- a paediatrician
- your child's nursery, childminder or current school.

The decision will also take into account the views of the headteacher of the school(s) concerned.

You are not expected to get evidence that you do not already have.

An application for your child's normal transfer year group should be made at the same time. The request with a paper application (CAF1) must be sent to the Admissions Team by the relevant national closing dates (see the 'Important dates' section).

Officers at Suffolk County Council will make a decision on the request. The Admissions Team will write to you with the outcome including the reasons for the decision. If the request is refused you will be given details of how to complain. Even if the request is agreed there is no guarantee there will be a place available at your preferred school(s).

Voluntary aided, free schools and academies: You can make a request to the admission authority for each school in writing. This will need to include, where relevant, any supporting information about why the child should be admitted out of their normal age group. The governing body or academy trust will make a decision on the request, taking into account the views of the headteacher.

The school will write to you with the outcome including the reasons for the decision. If the request is refused, you should be given the details of how to complain to the school.

A paper application (CAF1) must be sent to Suffolk County Council along with the decision letter(s) from the own admissions authority school(s) and other relevant evidence by the relevant national closing dates (see the 'Important dates' section). Even if the request is agreed there is no guarantee there will be a place available.

Further information: If you have not got the agreement of the admission authority for your child to be taught out of their normal age group, your preference for that school will not be considered.

You should make a request for admission out of the normal age group at each school you wish to apply for, in case your preferred school is unable to offer your child a place.

Further information for parents when making a request for admission out of the normal age group can also be found on the Department for Education website. If you would like further advice, please contact the Admissions Team.

Deferred entry for the Reception Year

If you are offered a place in the Reception Year for your child you have a right to defer the date your child is admitted, or to take the place up part-time, until they reach compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their fifth birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Information on how to make an appeal will be provided in the letter refusing your child a school place.

School details

Suffolk County Council makes decisions for community and voluntary controlled schools. The governing bodies or academy trusts of voluntary aided, free schools and academies determine the order in which applications should be ranked according to their oversubscription criteria. These are known as Own Admission Authority (OAA) schools.

The following pages provide alphabetical lists of Suffolk primary (including infant and junior) schools, nursery school, family hubs, specialist education including special schools and units, and alternative provision including pupil referral units. We have not included information on independent schools.

We have provided some key information about each school to help you when you are applying for a school place, including the:

- School's address and phone number.
- School's website.
- Compulsory school age range and type of school.
- Headteacher's name.
- Published Admission Number (PAN) for the 2027/2028 school year, further information below. Where the PAN for 2027/2028 is lower than the PAN, or the number that the school agreed to work to, for 2026/2027, you should be aware that places will be more limited, and the pattern of admissions may change.
- Link to the list of schools' admissions policies, which include the oversubscription criteria. Suffolk County Council's oversubscription criteria, which starts on page 7 of this directory, applies to community and voluntary controlled schools and those voluntary aided, free schools and academies where they have agreed to operate the same policy.
- Link to the Supplementary Information Form (SIF), if the school has one. You may need to complete and submit a SIF at the same time as making your application. Further information will be in the school's admissions policy.

Published Admission Number

A set number of places are offered in any one year. This number is known as the Published Admission Number (PAN), which is based on a national formula for deciding how many children can go to a school, without causing overcrowding.

Although the PAN applies to the normal year of entry, this number would normally be applied across all year groups in the school. There may be times for other year groups where this is not possible.

If the number of applicants is less than the PAN all applicants will normally be admitted. If a school receives more applications than it has places available (oversubscribed) then the school's published oversubscription criteria are used to decide which applicants will be offered places.

Admissions policies

If the school has their own admissions policy, which sets out how places will be prioritised, this can be found online at www.suffolk.gov.uk/admissions or by clicking on the link in the list of schools starting on page 15. If you require a paper copy, please contact us on 0345 600 0981.

Information from the 2026/2027 school year

We have also included information relating to the on time applications we received for the normal year of entry to the school in September 2026 (2026/2027 school year). This is to help you judge whether or not your application for a school place might be successful when you are completing your application. It includes the:

- Published Admission Number (PAN) for 2026/2027.
- Number of pupils on roll at the school in January 2026, this will include children attending a specialist unit or a specialist resource base for Hearing Impaired provision within the school.
- Number of applications received by the relevant closing date. This is the number of applications for which no higher preference school was offered. It may include second and third preferences as well as first preferences. The figure is intended to give you an idea of the demand for places at the school. **Please note that if you only apply for schools that have previously had more applications than places, there is a possibility that you will not be offered a place at any of them.**
- Number of places that were actually allocated at the school to on time applicants.
- Number of on time applications that were refused.
- Criterion under which the last child was admitted to oversubscribed schools. Where schools were not oversubscribed all applicants were admitted. Where schools were oversubscribed, the oversubscription criteria that was applied and the cut-off point is indicated.

School nurseries

Please look at the school's website or contact the schools direct for information on nursery places, including what age of children they take (two, three or four year olds) and what hours they offer each day.

Specialist education including special schools and units

Specialist education including special schools and units can be found on the Suffolk Local Offer website at www.suffolklocaloffer.org.uk/education.

Alternative provision including Pupil Referral Units (PRU's)

Alternative provision including Pupil Referral Units (PRU's) can be found on the Suffolk Local Offer website at www.suffolklocaloffer.org.uk/education.

Comments, compliments and complaints

Our aim is to make sure your child gets the best education possible. If you have any comments, compliments or complaints about your child's education, it is best to discuss this with a member of staff or the headteacher at your child's school. This can be put in writing if you prefer.

Most issues can be resolved without any further action. If you are not happy with the outcome, you should ask the school for details of their complaints policy.

If your complaint relates to a service you have received from Suffolk County Council you can contact Suffolk County Council's Complaints Team (Customer Rights). Further information can be found at www.suffolk.gov.uk/feedback.

Website: www.suffolk.gov.uk/feedback
E-mail: customerrights@suffolk.gov.uk
Telephone: 0345 266 1821

Comments or compliments about our services can also be sent to Suffolk County Council's Complaints Team (Customer Rights).

Data Protection

Our Privacy Notice is available at www.suffolk.gov.uk/CYPprivacynotice. This privacy notice tells you what information Children and Young People's Services collects and uses, and your rights regarding your information.

You can request a paper copy by contacting us on 0345 600 0981 (local rate).

We have been careful to make sure the information within this publication is accurate at the time of printing. We cannot rule out the need for changes before the start of the 2027/2028 school year. Any changes will be up-dated at www.suffolk.gov.uk/admissions.
