

Published Admission Numbers (PANs) for the 2027/2028 school year

The proposed PANs for community and voluntary controlled schools in Suffolk for the 2027/2028 school year are shown below. The PAN is the number of places a school can offer in the entry year group for that year.

The information also includes the PANs for each school in Suffolk for the 2026/2027 school year that have already been published.

PANs in this document could change subject to review.

Please note: *PANs for voluntary aided, free schools and academies for the 2027/2028 school year will be available from the school, or within their proposed admission arrangements if they are consulting for the 2027/2028 school year.

The sixth form PANs indicate the number of external students who can be admitted from outside the school to Year 12 (that is to say, not including those students who directly transfer from Year 11 itself).

**2026/2027 school year: a request to reduce the PAN at Pot Kiln Primary School has been agreed by the Office of the Schools Adjudicator. A decision to reduce the PAN at Westgate CP School has not yet been made by the Office of the Schools Adjudicator.
