Trinity CEVAP – "Nothing Is Impossible" Luke 1:37

to embrace new challenges, experiences and learning both now and into the future knowing, “Nothing is impossible with God”.

Introduction

Trinity CEVAP is a Voluntary Aided Church of England School and the Governing Body is the Admissions Authority for the school. We are committed to considering all applications fairly and equally. This Admissions Policy is subject to a statutory public consultation and conforms to the Schools Admissions Code and the Schools Standards and Framework Act 1998, as revised by the Education Act of 2002. The policy should be read in conjunction with the *Admissions to Schools in Suffolk* booklet – published by Suffolk County Council

Policy principles

We seek to be an inclusive school, welcoming children from all backgrounds and abilities. A child's level of achievement or special needs are not relevant to consideration for admission to the school, although if the school is named on a child's Education, Health and Care Plan then the Governors are obliged by law to admit.

We believe that ideally each child should be admitted to the school of their parents' choice, however the school buildings cannot accommodate an unlimited number of children and excessive class sizes are detrimental to the education of the children in the class. The Published Admissions Number for this school is 45 and we aim to organise the school so that there are classes of no more than 30 pupils.

In this area, children enter school at the start of the school year in which they become five. There is one preferred admission date per year, early in September (i.e. when the autumn term begins).

For admission to the 2027 -2028 school year all children will be eligible for admission to Trinity CEVAP School full time in the September following their fourth birthday. Where parents are offered a place for their child in the Reception Year of Trinity CEVAP School they may decide either to take up the offer full time in September, or take up the offer part-time or defer entry. If a parent wishes to defer entry to later in the year the place at Trinity CEVAP School will be held open until the child starts school. However, parents must take up the full-time place no later than the beginning of the term after the child's fifth birthday, and must in any case take up the place before the end of the school year for which the original application was accepted.

It is expected that children will be admitted at the beginning of Autumn term unless there are exceptional circumstances.

How parents can apply for their child to be admitted to the Reception Classes of our school

Copies of the school's Admission Policy can be viewed on the school's website – <http://trinityprimaryschool.com/>

Parents can complete a paper application form (CAF1 – to be returned to The Admissions Team, Endeavour House, 8 Russell Road, Ipswich IP1 2BX) or apply on-line at www.suffolk.gov.uk/admissions

Further information is also available at this web address.

Applications for Reception Class admission September 2027 to August 2028 (i.e. for children born 1st September 2022 to 31st August 2023 must be received by Suffolk

Trinity CEVAP – “Nothing Is Impossible” Luke 1:37

County Council by 15th January 2027. Second and late applications will be considered according to the Co-ordinated Admissions Scheme published in the *Admissions to Schools in Suffolk* booklet.

In order that the Governors can make fair and open decisions, parents are invited to complete a Supplementary Application Form (SIF) which is also available from Suffolk County Council. This is particularly important with reference to application for any of the 30 Foundation places. Please note that a SIF is an opportunity to provide more information as you are applying to a Church School – it is not compulsory and on its own it does not constitute a valid application. SIFs should be returned **direct to the School by the 15th January 2027**

Applications are processed by Suffolk County Council on behalf of the Governors and decision letters are sent to all applicants on The National Offer day – the 16th of April or the next working day.

All applications are considered conscientiously by an Admissions Committee of Governors. Where there are more applications than available places, admissions are made according to the oversubscription criteria in this policy. In the event of a tie within any of the oversubscription criteria, i.e. the Published Admissions Number (PAN) of 45 is reached within a group of applicants in any of the criteria, then all the applicants under that criterion will be ranked according to their distance from school and places will be offered (until the PAN of 45 is reached) to those living nearest to the school.

We will measure the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by the LA using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address- point between which straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.

In the unlikely event of two or more applicants living the same distance and competing for a single place, lots will be drawn by someone independent of the school to determine the successful applicant.

Unsuccessful applicants have the right to Appeal against the decision of the Governors (see below). All unsuccessful applicants are placed on a waiting list that is maintained in the rank order of the oversubscription criteria (taking into account the distance tie-breaker if appropriate). Late applications for the Reception year-group will also be ranked according to the oversubscription criteria. This does mean that the position of applicants on the list could change during the lifetime of the waiting list. If, at any time, the number of pupils to be admitted falls below 45 then the available place(s) will be offered to the applicant(s) at the top of the waiting list. The waiting list ceases to be valid at the end of the Autumn term ie – 31st of December.

For admission to the 2027/2028 school year, and subsequent years, all children will be eligible for admission to the school full time in the September following their fourth birthday.

Where parents are offered a place for their child in Reception Year, they may decide either to take up the offer full time in September or take up the offer part-time (but not beyond the point at which they reach compulsory school age) or defer entry. If a parent wishes to defer

entry to later in the year the place at the school will be held open until the child starts school. However, parents must take up the place no later than the beginning of the term after the child's fifth birthday and must in any case take up the offer of a place by the beginning of the final term of the school year for which it was made.

It would normally be expected that parents will take up the offer of a primary school place (be that full- or part-time) at the beginning of a school term, unless there is agreement with the school that a place could be taken up at another time in the term.

For summer born children whose parent or carer wishes them to start in Reception Year in the September following their fifth birthday (out of their chronological age group) see the section on Children out of year group below.

In-year applications and applications to other year-groups.

The Governors follow the accepted procedures agreed with Suffolk County Council in considering applicants at all other times of the year. The PAN of 45 per year group is maintained (as far as possible) throughout the school. Governors apply the oversubscription criteria as published at the end of this document. No waiting lists are maintained for year groups other than the Reception year.

In-year admissions. (Please read this guidance in conjunction with the Admissions to Suffolk School document)

1. Applications are not normally considered more than one term ahead of the date the place is required.
2. Parents wishing to transfer their children from one Suffolk school to another where there is no change of address should, in the first instance, discuss the matter with the Head teacher of their current school before applying for another school. (see also paragraph 8 below)
3. Parents who wish to make an in-year application for a place at Trinity CEVAP School should contact the school office for an application form – ADM1.
4. We will, on receipt of an in-year application, notify the Local Authority (LA) of both the application and its outcome, to allow the LA to keep up-to-date figures on the availability of places in the area.
5. When a place becomes available in a year group that has been full at this school, any applicant refused a place for that school year in the last 15 school days and any applicant for whom an appeal has been lodged and is still to be heard, will be considered alongside any new applications. The place will be offered to the pupil ranked highest in accordance with the oversubscription criteria.
6. All applications will be processed by the school within 5 school-days and the decision communicated in writing. Acceptance of offers can be made by email or letter but, in all cases, within two weeks of the offer date.
7. If the number of applications exceeds the number of places available the Governors will use their published oversubscription criteria to determine the offer of places. Any unsuccessful applicant has the right to appeal the decision to an independent panel and details of how to do this will be included in the decision letter.

Where an applicant is offered a school place following an in-year application, and the offer is accepted arrangements should be made for the child to start school as soon as possible, particularly when the child is out of school.

Children out of year group

It is expected that children will normally be educated within their normal age group (chronological year group). When requested to do so by the parent or carer, the admission authority will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned in line with the School Admissions Code. This includes when a parent or carer wishes their summer born (April to August) child to start full-time education in the Reception Year group when they reach compulsory school age rather than in Year 1.

Any decision made by the school's admission authority about a change to the normal age group will not be binding on any other admission authorities considering applications for the same year group or schools in later years. The admission authorities of the preferred schools named in such an application would have to consider the evidence provided and reach their own conclusion, in the light of the legislation and guidance available at that time.

A request should be made in writing for a delayed or accelerated transfer to the Head Teacher. This will need to include, where relevant, any supporting information about why the child should be admitted out of their normal age group.

When considering the request this will include, but is not limited to, taking account of the parent's views; information about the child's academic, social, and emotional development; whether the child has previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Any evidence in respect of these or any other reasons can be submitted. Where relevant, consideration can be given to the child's medical history and any evidence from a medical professional involved with the child's care or treatment such as:

- a speech and language therapist
- an occupational therapist
- a social worker
- a paediatrician
- the child's nursery, childminder or current school.

The decision will also take into account the views of the headteacher of the school(s) concerned.

Parents and carers are not expected to get evidence that they do not already have.

An application for the child's normal transfer year group should be made at the same time. The request with a CAF1 application form must be sent to the Admissions Team by the relevant national closing dates. Even if the request is agreed there is no guarantee there will be a place available at the preferred school(s).

The school will write to the parent or carer with the outcome including the reasons for the decision. If the request is refused, details of how to complain will be given.

Appeals

If the Governing Body's decision is not to grant a place for your child, you have the right to appeal against its decision. You will be sent information on how to appeal. There is no deadline for the submission of appeals which are independently administered by the Education Appeals Office, PO Box 579, Ipswich, IP1 2BX.

Unsuccessful applicants and appellants who are still unable to secure a place at Trinity CEVAP school may only submit a fresh application if, there has been a significant change in the circumstances of the parent, child or school. Such circumstances might be a house move or a place becoming available at the school.

If there is no significant change in circumstances, you can make another application for the following School Year but this will not normally be considered more than one term ahead of the date when you want your child to start at the school.

Monitoring and review

This policy will be reviewed by the Governing body annually but, in accordance with the School's Admissions Code, will only be subject to public consultation every seven years unless changes are proposed (other than the correction of closing dates and definitions of academic years). This consultation allows for Parents, other Schools and Academies, the Diocese, Local Authority and the local community to raise any concerns about the proposed admission arrangements.

application. Priority⁴: Children of applicants² who reside³ outside the designated area⁴ at the time of application.

NB: In the event of the PAN of 45 being reached within any of the above criteria then all the applicants under that criterion will be ranked according to their distance from school and places will be offered (until the PAN of 45 is reached) to those living nearest to the school. We will measure the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by the Local Authority using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-

ordinates of each property and provides the address-point between which straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.

In the unlikely event of two or more applicants living the same distance and competing for a single place, lots will be drawn by someone independent of the school to determine the successful applicant.

Appendix:

¹ Sibling: where the child has a sibling in the school or a sibling has already been offered a place at the school, and where the sibling will still be attending the school at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap in calendar days between the child's date of birth and the date of birth of any sibling already attending the school, or who has been offered a place at the time of application.

The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children from different family units, where those separate families are living together at the same address, are not considered siblings under this criterion.

² The applicant must be the parent or legal guardian of the child for whom admission is sought.

³ **Ordinarily resident:** By ordinarily resident we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. If you use another address to give the impression that your child lives at a different address to where they are ordinarily resident, such as a second home or a grandparent's address, so that you have a higher priority for a place at that school; we consider this to be a fraudulent application. Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives

at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child's living arrangements at the time of application.

In cases where the child spends an equal proportion of the school week at two or more different addresses, evidence of which is to be considered the main contact address will be required to support the application. Agreement in writing by the parents will be required to state which address is to be used as the ordinarily resident address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

If we are aware of a parental dispute affecting the application, we may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter.

We will consider Gypsy, Roma and Traveller children moving into an area as 'Resident' in that area when they apply for a school place.

4 The designated area is defined as: the ecclesiastical parishes of St Mary's Combs; St Mary's, Little Finborough; and St Peter and St Mary, Stowmarket. **Maps are available at the school showing the designated area.**

5 The Governors define a committed Church member as one who attends worship at least monthly – and this means worship at least monthly for a period of a year before the deadline for applications which is 15 January 2027.

A Supplementary Information Form (SIF) will be provided on request to applicants seeking consideration under the criterion of committed Church members. Completion of this form is optional and a SIF in itself does not constitute a valid application. All applications must be made on the standard Suffolk County Council CAF1 form (hard-copy or on-line). The SIF must be completed and signed by the Parish Priest, or where there is no Priest, another authorised representative of the Church, in a sealed envelope and returned to the school. Where the parent of a child is a committed Church member, but not themselves the applicant, the commitment of that parent will be considered in relation to the admission of the child.

6 We will measure the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by the LA using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.

In the unlikely event of two or more applicants living the same distance and competing for a single place, lots will be drawn by someone independent of the school to determine the successful applicant.

7 Other recognised Churches are those in full membership of Churches Together in England (or in full membership of a federation of Churches that is in full membership of Churches Together in England.) or the Evangelical Alliance

8 Applicants who wish to be considered as committed adherents of other recognised faiths, will be required to show an equivalent level of commitment to that described for Christian applicants and provide a SIF completed and signed by their local Faith Leader. Recognised Faiths are: Islam, Judaism, Hinduism, Buddhism, Sikhism and Jainism.

Definitions

Parent

For the purposes of education law, Section 576 of the Education Act 1996 defines a 'parent' as:

- all natural (biological) parents, whether they are married or not;
- any person who, although not a natural parent, has parental responsibility for a child or young person (this could be a step-parent, guardian or other relative).
- any person who, although not a natural parent, has care of a child or young person.

A person has care of a child or young person if they are the person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child.

Children in care (looked after children)

A 'child in care' or a 'looked after child' is a child who is

- (a) in the care of a local authority, or
- (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

Children previously in care (previously looked after children)

Children previously in care (previously looked after children) includes children who were adopted under the Adoption Act 1976 (Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (Section 46 adoption orders). Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

Children adopted from state care outside of England

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society and ceased to be in state care as a result of being adopted.

Shared Responsibility: Where a child lives with separated parents who have shared responsibility, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Both parents must provide evidence in writing to confirm the child's living arrangements at the time of the application.

In cases where the child spends an equal proportion of the school week with both parents,

evidence of the main contact address will be required to support the application. Both parents must agree in writing which address is to be used as the 'ordinarily resident' address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

Sibling tie-breaker

Priority will be given, where necessary, to applications where there is the smallest age gap in calendar days between the child's date of birth and the date of birth of any sibling already attending the school, or who has been offered a place at the time of application.

In the unlikely event that two applicants competing for a single place at a school have the same number of days difference in age from their closest aged sibling, the place will be offered to one applicant on the basis of lots drawn by an officer of Suffolk County Council not involved with admissions.

Distance tie-breaker

It is possible that the PAN of the school will be reached in any one of the categories set out above. For this reason, all applications will be prioritised according to the criteria described. Decisions will be made about the offer of places in accordance with those priorities. If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. We will give priority to the applicants who live nearest to the school as measured by a straight line.

In the unlikely event that two applicants competing for a single place at a school live the same distance from the school, the place will be offered to one applicant on the basis of lots drawn by an officer of Suffolk County Council not involved with admissions.

Multiple births – if the final place at the School is offered to a twin/triplet etc. and the remaining sibling(s) would ordinarily be refused a place, the Governors will offer places to the remaining sibling(s). It is not the Governors policy to separate twins/triplets etc. even when their admission would breach infant class size legislation.

This policy was ratified by Governors on 2nd of February 2016 and determined by them on the 10th of November 2016 and following review in 2020 remains unchanged for 2027 – 2028 admissions.
