

## P&TS Traded Packages 2024- 2025

Our involvement will start with an online meeting in order to plan the work and its delivery across the academic year.

Please see [Schools Choice Marketplace](#) for prices and to book your package. The deadline for purchasing new packages for the 24-25 academic year = Friday 26<sup>th</sup> July 2024.

- 1) Visit our '[meet the team](#)' pages for a list of staff across P&TS and the [P&TS webpages](#) for an outline of the range of our work that could form part of a package for your setting.
- 2) The nature of our involvement will be planned according to your setting's needs and sit alongside the **graduated response** [core offer](#) supporting CYP with additional needs and SEND.
- 3) Packages can be small (five units), medium (ten units) or large (twenty units). To simplify our range of interventions for individual children and young people, staff or whole school impact, each uses a certain number of units. Here is an example:

### Setting purchases a large package (20 units)

4

A [sensory profile](#) with full report and bespoke resources

6

Educational Psychologist consultation and assessment, with report

6

Half day's [staff training](#) on a key topic for your setting

4

[Team Pupil](#): creating a support network

Other frequently requested areas you might wish to explore include staff supervision, training (Keys to Inclusion, Restorative Practice, PATH and miniPATH), collaborative problem solving via consultation, and transition and reintegration support. Do also check [here](#) for details of our **training and events** on a wide range of topics.

If you have any other questions or would like a discussion with a member of our team before deciding to request a traded package, please do email [psychology&therapeuticservices@suffolk.gov.uk](mailto:psychology&therapeuticservices@suffolk.gov.uk).
