

Y11 Visualising Ambition - PATH

What were we asked to do?

Help the young person to think about their future and plan what this could be like. Looking ahead, to explore post 16 options.

"A privilege"

"Excited, a bright future planned"

What did we do?

- ✓ We met with the young person to explain the PATH process and see if this is something they were interested in having for themselves.
- ✓ We had a PATH meeting. This helped the young person to plan for their future, with the support of all the people who are important to them.
- ✓ This meeting is for the young person, giving them choice around who they would like to attend, the music playing and their favourite snack.

"Fun and Good"

"Helpful"

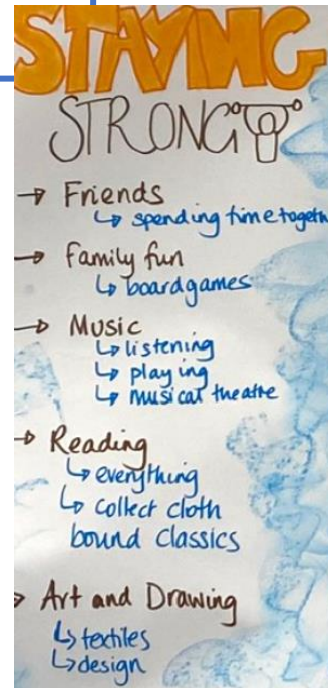

"Exhilarating"

"Happy"

Impact

- The young persons' sister had a PATH and she enjoyed being part of this. By having her own PATH, it enabled the young person to feel heard.
- She had clear next steps to support her on her journey to an ambitious future

"Relieved that I have everything written down and a solid plan"
