

# MAREE REILLY – MY ONE PAGE PROFILE

*I like the outdoors – I love to watch birds and go for long walks in the country. I make things – I can knit, crochet, sew and embroider. I am a fan of real ale – I am part of CAMRA and coordinate the volunteers for the Apex annual Beer Festival (when not in the pub!) I volunteer at the local drop in for the homeless – we have so much, and we must not take it for granted. I love my family – Peter and I have three grown up children and we became very proud grandparents in July!*
