

P&TS Traded Packages 2022 - 2023

Requests need to be submitted by October 21st, 2022

Our involvement will start with an online meeting in order to plan the work and then will be delivered over the year.

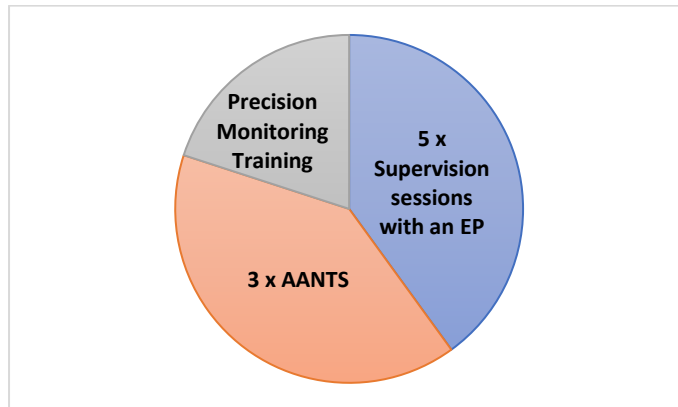

Please see our ['meet the team'](#) pages for a list of staff across P&TS and the P&TS webpages for an outline of the range of our work that could form part of a package for your setting.

The nature of our involvement will be planned according to your settings needs and sit alongside the graduated response [core offer](#) supporting CYP with additional needs and SEND.
