ADMISSIONS POLICY

RECEPTION

AND

WHOLE SCHOOL IN-YEAR APPLICATIONS

Admission Year

1 September 2019
- 31 August 2020

The Board of Governors

JANUARY 2018
INTRODUCTION

As a Church of England Voluntary Aided School the Governing Body is the Admissions Authority for this school. The Local Authority (LA) - Suffolk County Council - provide a ‘co-ordinated’ scheme for all schools in Suffolk and details are available on the SCC website: www.suffolk.gov.uk/admissions. This policy is reviewed annually in line with the School Admissions Code 2014. Consultation takes place locally with our Parents and, more formally, with the Diocesan authorities and the Local Authority.

Parents should be aware that as the school is a Church of England Voluntary Aided Primary School it has a distinctive Christian ethos, whilst being rooted in the local community in all its diversity. At this school we endeavour to provide an environment where there is freedom from discrimination on grounds of race, gender, language, religion, class, lifestyle, cultural background, age, disability or special learning needs. Equal opportunities are the right of everyone; pupils, teaching and non-teaching staff, parents, governors and those in the larger community in which our school is found.

ADMISSIONS INFORMATION

For admission to the 2019-20 school year, and subsequent years, all children will be eligible for admission to Framlingham Sir Robert Hitcham’s School full time in the September following their fourth birthday. Where parents are offered a place for their child in the Reception Year of this school they may decide either to take up the offer full time in September, or take up the offer part-time or defer entry. If a parent wishes to defer entry to later in the year the place at this school will be held open until the child starts school. However, parents must take up the full-time place no later than the beginning of the term after the child’s fifth birthday, and must in any case take up the place before the end of the school year for which the original application was accepted.

It would normally be expected that parents will take up the offer of a primary school place (be that full- or part-time) at the beginning of a school term, unless there is agreement with the school that a place could be taken up at another time in the year.

Parents should be aware that the provision of a full-time place (described above) does not apply to maintained nursery provision. Also, where a place has been offered in a nursery attached to a school this does not guarantee a full-time place in the Reception Year of a school and parents must make a separate application for a primary school place by the published closing date.

Where a child lives with separated parents who have shared responsibility, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Both parents must provide evidence in writing to confirm the child’s living arrangements at the time of the application. In cases where the child spends an equal proportion of the school week with both parents, evidence of the main contact address will be required to support the application. Both parents must agree in writing which address is to be used as the ‘ordinarily resident’ address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

The Catchment Area for our school includes: The parishes of Framlingham, Gt Glemham, Cransford, Parham, Hacheston and Saxtead. These can be found on our website and are also available at www.suffolk.gov.uk/catchmentmaps. There is a map in school, but it is advisable to check with the Admissions Team (0345 600 0981) for confirmation, especially if on the edge of any of these areas. Living within a school’s catchment area is no longer an absolute guarantee that a place is available at that catchment school.

There may be more applications for this school than there are places available. It is important that all schools are able to provide an effective education for their pupils in suitable accommodation, which is not overcrowded. This means that schools can only offer a set number of places in any one year. This number is called the Published Admission Number (PAN), which is based on a national formula for deciding how many children can go to a school without causing overcrowding. The Governing Body, as the Admission’s Authority, has a duty to set the number of intended admissions to any age group at a figure no lower than the Published Admissions Number (PAN) for that age group. A higher figure can be set at the Governors’ discretion. Currently the school admits up to 50 children in Reception.

Foundation and Key Stage 1 classes (ages 4+ to 6+) must not have more than 30 pupils with a single teacher complying with the Infant Class Size legislation.

Children who have a statement of Special Educational Needs (SEN) or an Education, Health and Care plan (EHC plan) which names the school must by law be offered a place at this school.
ADMISSIONS OVERSUBSCRIPTION CRITERIA

Once the SEN and EHC applicants have been offered places and the number of applications for a school is greater than its PAN, we use the Admissions Oversubscription Criteria to decide how we will allocate the places available. The following admissions oversubscription criteria show the order of priority for places at this school:

1. **Children in Care** (looked after children) is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). **Children previously in care** (previously looked after children) includes children who were adopted under the Adoption Act 1976 (section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (section 46 adoption orders). Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

2. **Children who are ordinarily resident* in the catchment area** - places will be allocated in the following order:
   2.1 Children who are brothers and sisters** of, or who live as a family at the same address as, pupils who are already at the school or will be on roll at the time of admission or who have already been offered a place. Priority will be given, where necessary, to applications where there is the smallest age gap.
   2.2 Children with Home Office confirmed refugee status.
   2.3 a) Children whose families*** wish to apply for a place giving faith as a priority will need to give evidence that they attend church regularly (at least monthly) at a church recognised by ‘Churches Together of Great Britain and Ireland’, by completing a Supplementary Information Form (SIF) indicating their faith involvement. Their church minister must countersign the SIF. This form is available from this school. Applicants new to the area can provide evidence from a previous church or churches.
   2.3 b) Children whose families*** wish to apply for a place giving another faith as a priority will need to give evidence that they participate regularly (at least monthly) in the local worshipping community of the faiths named (Buddhism, Hinduism, Islam, Sikhism and Judaism) and wish their child to attend Sir Robert Hitcham’s because of its Christian traditions by completing a Supplementary Information Form (SIF) indicating their faith involvement. Their faith leader must countersign the SIF. This form is available from this school. Applicants new to the area can provide evidence from a previous faith leader.
   2.4 Children who live nearest to the school. The distance will be measured by a straight line (‘as the crow flies’). All straight line distances are calculated electronically by the LA using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which straight line distance is measured and reported to three decimal places. Where there is more than one home in a single building (eg apartments) we will measure to a single point within that building irrespective of where those homes are located.

* By “ordinarily resident” we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. If you use another address to give the impression that your child lives at a different address to where they are ordinarily resident, such as a second home or a grandparent’s address, so that you have a higher priority for a place at that school; we consider this to be a fraudulent application. Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child’s living arrangements at the time of application. In cases where the child spends an equal proportion of the school week at two or more different addresses, evidence of which is to be considered the main contact address will be required to support the application. Agreement in writing by the parents will be required to state which address is to be used as the ordinarily resident address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

If we are aware of a parental dispute affecting the application, we may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter.

Gypsy, Roma or Traveller families who move into the catchment of this school will be considered as ‘ordinarily resident’ in that area when considering applications for a school place.

For children of UK service personnel and other Crown Servants, the Governors must treat a family being posted to their area, or whose posting abroad comes to an end, as meeting the residency criteria for that catchment area even if no house is currently owned in that area once proof of the posting has been provided.

** Brothers/Sisters includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent/carer; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit.

*** A parent is any person who has parental responsibility for or is the legal guardian of the child. Where admission arrangements refer to ‘parents’ attendance at church’ it is sufficient for just one parent to attend. ‘Family members’ include only parents, as defined above, and siblings.

3. **Children who live outside the school’s catchment area** in the same order of priority as set out in 2.1 to 2.4 above.
ULTIMATE TIE BREAKER
In the unlikely event of two or more applicants who live the same distance from the school competing for a single place, then lots will be drawn in a secure place with an independent witness (a local Church Warden or nominee) to determine the successful applicant.

APPLICATION PROCEDURE - RECEPTION
Parents should apply for Reception places using the Local Authority’s Common Normal year of entry Application Form (CAF1) naming this school as one of the preferences, together with a school Supplementary Information Form (SIF). Please note however that completion of a SIF is not compulsory and that a SIF alone does not constitute a valid application. Forms are available from the school or the LA Admissions Team or on-line at www.suffolk.gov.uk/admissions. It is possible to apply online at the above address, but a SIF would still need to be returned to the school.

If completing a ‘hard’ copy of a CAF1 it must be sent to the local authority at the address given on the CAF form, and not to the school. The SIF needs to be returned to the school. Applicants will be notified of the results of their application directly by the LA Admissions Team on 16 April or the next working day.

Parents who have children with a date of birth from 1 Sept 2014 to 31 August 2015 will need to apply for a reception place no later than 15 January 2019 for the school year 2019/2020. Applications received after this date will be held and considered after 16 April 2019. Late applications can be processed as ‘on time’ applications if there is an exceptional reason and evidence is provided before 9 February 2019.

APPLICATION PROCEDURE – IN-YEAR
Please read this guidance in conjunction with the Admissions to Suffolk School document.

1. Applications are not normally considered more than one term ahead of the date the place is required.
2. Parents wishing to transfer their children from one Suffolk school to another where there is no change of address should, in the first instance, discuss the matter with the Headteacher of their current school before applying for another school (see also paragraph 8 below).
3. Parents who wish to make an in-year application for a place at this school should contact the school office for an application form (ADM1) or download it from the school website.
4. We will, on receipt of an in-year application, notify the Local Authority (LA) of both the application and its outcome, to allow the LA to keep up-to-date figures on the availability of places in the area.
5. The school does not hold a waiting list for in-year applications for year groups that are full. When a place becomes available in a year group that has previously been full at this school, any applicant refused a place for that school year in the last 15 school days and any applicant for whom an appeal has been lodged and is still to be heard, will be considered alongside any new applications. The place will be offered to the pupil ranked highest in accordance with the oversubscription criteria.
6. Applications are normally processed by the school within 5 school-days and the decision communicated in writing. An emailed decision will always be confirmed by letter. Acceptance of offers can be made by email or letter but, in all cases, within two weeks of the offer date.
7. If the number of applications exceeds the number of places available the Governors will use their published oversubscription criteria to determine the offer of places. Any unsuccessful applicant has the right to appeal the decision to an independent panel and details of how to do this will be included in the decision letter.
8. When an offer of a place is made and the child already has a place in a local mainstream school, the Governors will offer the place from the start of the following half term. The child will remain on roll at the previous school until they take up the place at this school.

APPEALS
If the Governing Body is unable to grant a place for your child, you have the right to appeal against the decision. Details of how to appeal are sent with the letter of refusal; parents can then download a form or call the telephone number. There is no deadline for the submission of appeals which are independently administered by the Education Appeals Office, PO Box 579, Ipswich, IP1 2BX.
CHILDREN OUT OF YEAR GROUP:
It is expected that children will normally be educated within their chronological year group. However, this Admission Authority will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned in line with the School Admissions Code (December 2014). You can make a request to this Admission Authority in writing. This will need to include any supporting evidence. The Governing Body will make a decision on the request, taking into account the views of the Headteacher. The school will write to you with the outcome including the reasons for the decision. If the request is refused, you should be given the details of how to complain to the school.

A CAF1 application form must be sent to Suffolk County Council along with the decision letter(s) from the own admissions authority school(s) and other relevant evidence by the national closing dates (see the ‘Important dates: what happens when’ section of the Admission to Schools in Suffolk booklet.). Even if the request is agreed there is no guarantee there will be a place available.

MAKING ANOTHER APPLICATION FOR A PLACE AT THE SAME SCHOOL
A parent/carer can apply for a place for their child at any time to any school outside of the normal admissions round. However, if your application for a school place is refused, we will not determine a further application for a place in the same school in the same school year, unless there has been a significant change in the circumstances of the parent/carer, child or school. Such circumstances might be a house move or a place becoming available at the school. If there is no significant change in circumstances, you can make another application for the following school year. However, this will not normally be considered more than one term ahead of the date when you want your child to start at the school.

MULTIPLE BIRTHS
If the final place available at a school is offered to a twin or triplet, etc, and the remaining sibling/s would ordinarily be refused, the Governors will offer places to the remaining sibling/s at the same school. The law requires that this will apply even in those primary schools where this would mean that more than 30 pupils would be admitted to an infant class.

WAITING LISTS FOR RECEPTION YEAR ONLY
A waiting list will be maintained by the school of those unsuccessful in their initial application. Names are placed on the waiting list in the priority order set out in our admissions oversubscription criteria. This list will be maintained until 31 December 2019. The order of children on the waiting list does not remain static – as circumstances change a child’s place on the waiting list can go up or down, for example due to withdrawals or additional applications. If you change your address while your child is on a waiting list you must let us know. Please be aware that this may change your child’s position on the waiting list, particularly if you move into or out of the school’s catchment area. Having your child’s name on a waiting list will not affect your right of appeal for a school place in any of the schools you have applied for. If a place becomes available, we will offer it to children on the waiting list for this school in priority order. We do not offer places on the basis of the date on which names were placed on the list. Where a school is over-subscribed, an application received by 31 December 2019 will be placed on the waiting list. The order will be determined in accordance with the Admissions Oversubscription Criteria, not the date on which the application is received. The school does not hold waiting lists for any other year group.

If you have a query, please contact the Admissions Officer in the School Office on 01728 723354.
