This directory provides information about primary (including infant, junior and middle) schools in Suffolk in the 2018/2019 school year. It does not cover independent schools. It explains how places are offered when a school gets too many applications.

There is a separate directory which provides information for secondary (including high and upper) schools.

Normal year of entry applications

If you are applying for a school place in the normal year of entry please read the ‘Admissions to Schools in Suffolk 2018/2019’ guide for information on how and when to apply for a school place. The normal years of entry for schools are shown below:

*You must apply for a school place if your child was born between 1 September 2013 and 31 August 2014. You must make an application for a full-time school place even if your child is already attending a nursery class in an infant or primary school, a pre-school or a children’s centre next to a school site. This is because a place in a nursery class, pre-school or children’s centre does not guarantee your child a full-time place at that school.

It is important that you **apply by the relevant closing date for applications for school places**, please see page 4. If you do not apply by the closing date your application may not be dealt with until after places have been offered to those who applied on time. This means that all available places at your preferred school(s) may have been filled.

The easiest and most secure way to apply for a school place is online at www.suffolk.gov.uk/admissions. We recommend that you apply online because it is quick and easy and you will receive an email on offer day with details of your child’s offer of a school place. If you are applying online, your application must be completed and submitted before midnight on the closing date.

Alternatively, the CAF1 application form is available on our website or you can contact the Admissions Team or the school for a paper copy. If you apply on a paper application form, a letter will be sent to you on the relevant offer day by second class post.

In-year applications

If you are applying for an in-year school place please read the ‘In-Year Admissions to Schools in Suffolk 2018/2019’ guide for information on how and where to apply for a school place. An in-year application is made when a parent or carer applies for their child to go to a new school during the school year, or at the start of the school year but in a different age group from the school's normal year of entry.

All of the information about applying for a school place can be found online at www.suffolk.gov.uk/admissions, including Frequently Asked Questions (FAQs).

Or you can contact the Admissions Team:

If you were unable to apply by the closing date, and we agree that there are very exceptional reasons for an application being late, we will consider it as on time if it is received by this date and evidence is provided with your application. This only applies in circumstances outside your control which made it impossible for the application to have been made on time.

If you are moving house, this is the latest date for you to provide written evidence to the Admissions Team that you are legally committed to your move so that your new address can be considered in the on time allocation process.

**National Offer Day**

If you applied online we will send you an email to let you know which school has been offered.

If you applied on a paper application form or online, we will send you a letter by second class post to let you know which school has been offered.

We will consider late applications (see the ‘Applications received after the closing date – Late applications’ section in the Admissions to Schools in Suffolk 2018/2019 guide).

We will assume that you have accepted the place offered (if you applied on time) unless you let us know in writing by this date. This does not affect your right to appeal for any of the schools where you have been refused a place.

Key information about schools

Suffolk’s co-ordinated admissions scheme

There are different types of schools in Suffolk (maintained, academies and free schools) and we co-ordinate admissions to the normal year of entry for them all.

The co-ordinated admissions scheme is set out in full on our website at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions). You can also request a paper copy by contacting us on 0345 600 0981 (local rate). This document provides the detailed admission arrangements for Suffolk and is in place to make sure all applications are handled fairly, consistently and efficiently. It applies to all schools in Suffolk to ensure that children across the county are offered a single school place on the same day.

However, for in-year applications, you will need to apply to some schools directly. In these cases the school’s governing body or academy trust will process your application. For all other schools in-year applications will be processed by Suffolk County Council. The different types of schools in Suffolk and information about where to send your application are shown below:

How places are offered if there are more applications than places available

If a school receives more applications than it has places available (‘oversubscribed’) then the school’s published oversubscription criteria are used to decide which applicants will be offered a place. We will offer your child a school place at the highest ranked school where possible.

Depending on the type of school, these decisions are either made by Suffolk County Council, the school’s governing body or by the academy trust. You can find the oversubscription criteria for all schools in the relevant Directory of Schools in Suffolk or online at www.suffolk.gov.uk/admissions.

Suffolk County Council’s admissions oversubscription criteria for community and voluntary controlled schools

Where there are more applications than places available we will rank your application using Suffolk County Council’s admissions oversubscription criteria below.

**Children who have an Education, Health and Care (EHC) plan which names the school must by law be offered a place at that school.**

The following admissions oversubscription criteria show the order of priority for places at community and voluntary controlled schools and at those foundation, voluntary aided schools, and academies where they have agreed to operate the same policy as Suffolk County Council. These are identified in the relevant Directory of Schools in Suffolk.

These criteria may also be used to allocate places at schools that were community or voluntary controlled schools when their admissions arrangements were determined for 2018, but have since converted to academy status.

For applications to the normal year of entry at a school, these criteria will be applied according to the circumstances existing before midnight at the end of the closing date.

For in-year applications, these criteria will be applied according to the circumstances existing at the time of application.

This will also apply to applications to the five paired infant and junior schools in Suffolk:

- Maidstone Infant and Causton Junior Schools, Felixstowe;
- Fairfield Infant and Colneis Junior Schools, Felixstowe;

continued on next page
How places are offered

- Springfield Infant and Springfield Junior Schools, Ipswich;
- Castle Hill Infant and Castle Hill Junior Schools, Ipswich;
- Ravensmere Infant and The Albert Pye CP Schools, Beccles.

We will treat these applicants as siblings when the older child is already attending the junior school or will be offered a junior school place in the normal year of entry. In cases where the younger child is about to start in the Reception Year group in the infant school and the older child is due to transfer to the paired junior school, we will treat both applicants as siblings. Similarly, we will use the sibling criteria for an application to a junior school if the younger child is already attending or has been offered a place at the paired infant school.

Children who are **ordinarily resident** in the catchment area.

Places will be allocated in the following priority order:

a) If the school is voluntary controlled, children whose parents/carers are applying on the grounds that the child and/or the family are practising members of the Church of England (or other church within the Worldwide Anglican Communion). You must complete a Suffolk County Council Supplementary Information Form (SIF). This SIF must specifically state that you and/or your child are a practising member of the Church of England (or other church within the Worldwide Anglican Communion), which means you and/or your child go to an Anglican church regularly, that is to say at least once a month.

b) Children who live nearest to the school. We will measure the distance by a straight line (‘as the crow flies’). All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which the straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.

Children who live outside the school’s catchment area in the same priority order as set out in (a) and (b) above.

Notes to Suffolk County Council's admissions oversubscription criteria

**Children in care (looked after children)**

A ‘child in care’ or a ‘looked after child’ is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

**Children previously in care (previously looked after children)**

Children previously in care (previously looked after children) includes children who were adopted under the Adoption Act 1976 (section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (section 46 adoption orders). Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.
Religious grounds criterion
The website used to confirm membership of the Church of England is www.churchofengland.org. For families moving to Suffolk from other countries, the website to confirm membership of churches within the Worldwide Anglican Community is www.anglicancommunion.org.

Distance tie-breaker
It is possible that the PAN of the school will be reached in any one of the categories. For this reason, all applications will be prioritised according to the criteria described. Decisions will be made about the offer of places in accordance with those priorities. If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. We will give priority to the applicants who live nearest to the school as measured by a straight line.

In the unlikely event that two applicants competing for a single place at a school live the same distance from the school, the place will be offered to one applicant on the basis of lots drawn by an officer of Suffolk County Council not involved with admissions.

Twins, triplets and other multiple births
If the final place available at a school is offered to a twin, triplet or other multiple birth and the remaining sibling/s would ordinarily be refused, Suffolk County Council will offer places to the remaining sibling/s at the same school. The law requires that this will apply even in those primary schools where this would mean that more than 30 pupils would be admitted to an infant class with a single qualified teacher.

Waiting lists
If you apply for a school place in the normal year of entry and one or more of your preferences are refused, your child’s name will automatically be placed on a waiting list for these schools. Names are placed on the waiting list in the priority order set out in our admissions oversubscription criteria.

The order of children does not remain static – as circumstances change a child’s place on the waiting list can go up or down, for example due to withdrawals or additional applications. If you change your address while your child is on a waiting list you must let us know. Please be aware that this may change your child’s position on the waiting list, particularly if you move into or out of the school’s catchment area. Written evidence of this will be required.

Having your child’s name on a waiting list will not affect your right to appeal for any of the schools you have been refused a place at.

Late applicants will be added to any waiting lists in oversubscription priority order if their parental preferences cannot be met.

If a place becomes available, we will offer it to a child on the waiting list for that school in priority order. We do not offer places on the basis of the date on which names were placed on the list.

The waiting lists will cease to operate on 31 December 2018.

Suffolk County Council does not hold waiting lists for in-year applicants.

Making another application for a place at the same school
A parent/carer can apply for a place for their child at any time to any school outside of the normal admissions round. However, if your application for a school place is refused, we will not determine a further application for a place in the same school in the same school year, unless there has been a significant
change in the circumstances of the parent/carer, child or school. Such circumstances might be a house move or a place becoming available at the school.

If there is no significant change in circumstances, you can make another application for the following school year. However, this will not normally be considered more than one term ahead of the date when you want your child to start at the school.

**Ordinarily resident**

By ordinarily resident we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. We will not treat your child as ordinarily resident if you rent or own a second home in the catchment area or if you use another address to give the impression that your child lives in the catchment area so that you have a higher priority for a place at that school; we consider these to be fraudulent applications. Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child's living arrangements at the time of application.

In cases where the child spends an equal proportion of the school week at two or more different addresses, evidence of which is to be considered the main contact address will be required to support the application. Agreement in writing by the parents will be required to state which address is to be used as the ordinarily resident address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

If we are aware of a parental dispute affecting the application, we may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter.
Suffolk County Council makes decisions for community and voluntary controlled schools.

The governing bodies or academy trusts of foundation, voluntary aided, free schools and academies determine the order in which applications should be ranked according to their oversubscription criteria. These are known as own admission authority schools.

The following pages provide alphabetical lists of Suffolk primary (including infant, junior and middle) schools, nursery school, children’s centres, special schools and pupil referral units.

We have provided some key information about each school to help you when you are applying for a school place, including the:

- School’s address and phone number.
- School’s website (if they have one).
- Compulsory school age range and type of school.
- Headteacher’s name.
- Published Admission Number (PAN) for 2018/2019, further information below. Where you see an ‘*’ this indicates that the PAN for 2018/2019 is lower than the PAN for 2017/2018, therefore, you should be aware that places will be more limited and the pattern of admissions may change.
- School’s oversubscription criteria, if it is different to Suffolk County Council’s oversubscription criteria which is on page 6 of this directory.
- Supplementary Information Form (SIF). You may need to complete and submit a SIF at the same time as making your application. Further information will be in the school’s admissions policy.

Published Admission Number

A set number of places are offered in any one year. This number is known as the Published Admission Number (PAN), which is based on a national formula for deciding how many children can go to a school, without causing overcrowding.

Although the PAN applies to the year of entry, we would normally apply this number across all year groups in the school. However, there may be times for other year groups where this is not possible.

If the number of applicants is less than the PAN all applicants will normally be admitted. If a school receives more applications than it has places available (‘oversubscribed’) then the school’s published oversubscription criteria are used to decide which applicants will be offered places.

Admissions policies

The wording in this directory will be a summary of the full admissions policy and therefore you must refer to the school’s own admissions policy which sets out how places will be prioritised. You can get a copy of the full policy from the school or online at www.suffolk.gov.uk/admissions.
School details

Information from the 2017/2018 school year

We have also included information relating to the on time applications we received for the normal year of entry to the school in September 2017 (2017/2018 school year). This is to help you judge whether or not your application for a school place might be successful when you are completing your application. It includes the:

- Published Admission Number (PAN) for 2017/2018.
- Number of pupils on roll at the school in January 2017.
- Number of applications received by the closing date. This is the number of applications for which no higher preference school was offered. It may include second and third preferences as well as first preferences. The figure is intended to give you an idea of the demand for places at the school. Please note that if you only apply for schools that have previously had more applications than places, there is a possibility that you will not be offered a place at any of them.
- Number of places that were actually allocated at the school to on time applicants.
- Number of on time applications that were refused.
- Criterion under which the last child was admitted to oversubscribed schools. Where schools were not oversubscribed all applicants were admitted. Where schools were oversubscribed, the oversubscription criteria was applied and the cut-off point is indicated.

Notes:

If a website address is not included with a school's information you may be able to access their details at www.school-portal.co.uk.

We have not included information on independent schools.

The information is correct as of 1 July 2017. However, we cannot rule out the need for changes before the start of the 2018/2019 school year. Any changes will be up-dated online at www.suffolk.gov.uk/admissions.

School nurseries

Please look at the school's website or contact the schools direct for information on nursery places, including what age of children they take (two, three or four year olds) and what hours they offer each day.

School Travel Policy

Please note that the current School Travel Policy is available at www.suffolkonboard.com.

This policy details the arrangements that will apply during the school year commencing September 2018. Suffolk County Council is considering changes to the School Travel and Post-16 Travel policies because of the acute pressure on this budget. Any proposals would be consulted upon during the school year commencing September 2017. Should there be any approved changes these would not come into effect until September 2019.

### 2018/2019 Oversubscription criteria:

Children who have a statement of Special Educational Needs (SEN) or an Education, Health and Care (EHC) plan which names the school must by law be offered a place at this school. Places will be offered to Looked After Children (children in care) and Previously Looked After Children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after) regardless of whether they live in the catchment area of the school. Remaining places will be offered in the following order:

1. Children who are ordinarily resident in the school’s catchment area on 15 January 2018 in the following order:
   a) Children with brothers or sisters (or other children living together as a family at the same address) already at the school and who will be there when the child starts. If there are not enough places, we will give places to those with the smallest age gaps first.
   b) Children whose Parent(s)/Guardian(s)/Carer(s) are regular (i.e. at least once a month) attendees at services held at all churches/chapels situated within the school’s catchment area. (Applicants are advised to complete the Supplementary Information Form (SIF) in order that the Governors have

Primary (including infant and junior) schools

Children who have an Education, Health and Care (EHC) plan which names the school, must by law be offered a place at this school. Thereafter children will be admitted to the school using the following oversubscription criteria in this priority order:

1. Children in Care. Looked after children (children in care) and Previously Looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).

Places are then allocated as either Church Places (10 places) or Community Places (20 places). Any unallocated places in either category will be added to the other category. In all the categories below, except category 3.1, the determining factor will be children who live nearest to the school. We will measure the distance by a straight line ‘as the crow flies’.

2. Church places - up to 10 places are for:

2.1 Children who themselves or their families regularly worship at All Saints’ or St. Mary’s Churches, Newmarket. Parents are advised to submit a completed Supplementary Information Form.

2.2 Children who themselves or their families regularly worship at another Christian Church. Parents are advised to submit a completed Supplementary Information Form.

3. Community places - up to 20 places are for:

3.1 Children who have a brother or sister attending All Saints’ School at the time of his/her admission. If necessary, priority will be given to those with the smallest age difference.

3.2 Children who are ordinarily resident in the school’s catchment area.

3.3 Other applications.

In all the above categories, except category 3.1, if the number of applicants exceeds the places available the determining factor will be children who live nearest to the school. We will measure the distance by a straight line ‘as the crow flies’.

Supplementary Information Form: This school requires a SIF for certain criteria.
2018/2019 Oversubscription criteria:
The first priority admission group is children whose Education, Health and Care (EHC) plan names the school. All those in this group must be admitted and this applies to all schools in the John Milton Academy Trust. If the number of applications for Bacton Primary school is greater than the PAN, children will be admitted to the school using the following oversubscription criteria in this priority order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after);
2. Children with a brother or sister (sibling) attending one of the schools in the Academy Trust at the time of application, with a reasonable expectation they will be attending at the start of the new school year. Priority will be given, where necessary, to applications where there is the smallest age gap between siblings. If you have more than one child in the Academy Trust, please name the youngest one;
3. Children of staff employed by the school in the following circumstances: a) Where the member of staff has been employed at the school for two or more years at the time at which application for admission to the school is made, or b) The member of staff is recruited to the school to fill a vacant post for which there is a demonstrable skill shortage;
4. Children who do not have a brother or sister (sibling) attending one of the schools in the Academy Trust. Applications in this category will be ranked by the distance of a child’s home to the school they have applied to. This will be done by measuring the distance by a straight line (‘as the crow flies’).

**2018/2019 Oversubscription criteria:**

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked after children or previously looked after children i.e. children in foster care, care homes or who were before being adopted;
2. Children with siblings in the school;
3. Children of school staff fulfilling a skills shortage role;
4. Home-to-school distance – meaning that the remaining places are allocated in order of each child’s proximity to the school. ‘Home-to-school distance’ is defined/measured as the distance by a straight line (‘as the crow flies’).

2018/2019 Oversubscription criteria:

Children who have a statement of Special Educational Needs (SEN) or an Education, Health and Care (EHC) plan which names the school must by law be offered a place at this school. Priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).
2. Children who have a sibling who will be attending the school at the time of admission.
3. Children of applicants who ordinarily reside within the catchment area. Places will be allocated in the following priority order:
   a) Children whose parents/carers are applying on the grounds that the child and/or the family are practising members of the Church of England.

2018/2019 Oversubscription criteria:
All children whose Education, Health and Care (EHC) plan names the school must be admitted.
If the number of applications for Burton End Primary Academy is greater than their PAN, we will use our admissions oversubscription criteria to decide who gets a place. The following details the order of priority for places in the case of oversubscription:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).
2. Children of staff employed by the school in the following circumstances:
   a) Where the member of staff has been employed at the school for two or more years at the time at which application for admission to the school is made, or
   b) The member of staff is recruited to the school to fill a vacant post for which there is a demonstrable skill shortage.
3. Children with a brother or sister (sibling) attending the school or who have already been offered a place, at the time of application, with a reasonable expectation they will be attending at the start of the new school year. Priority will be given, where necessary, to applications where there is the smallest age gap between siblings. If you have more than one child in the school, please name the youngest one.
4. Children who do not have a brother or sister (sibling) attending the school. Applications in this category will be ranked using the distance criteria, priority will be determined by the distance of the child’s home from the school. This will be done by measuring the distance by a straight line (‘as the crow flies’).

2018/2019 Oversubscription criteria:

Where Castle Hill Infant School is named on a child’s Statement of Special Educational Needs or Education, Health and Care Plan that child will be admitted by the Academy. The following details the order of priority for places in the case of oversubscription:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).

2. Siblings (children who are brothers and sisters, or who live as a family at the same address) of pupils already at the school or who have already been offered a place, and who will still be there at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. As Castle Hill Infant School and Castle Hill Junior Schools are paired schools. This means applicants are treated as siblings when:
   • The older child is already attending Castle Hill Junior School or will be offered a Castle Hill Junior School place in the normal year of entry.
   • The younger child is about to start in the Reception Year group in Castle Hill Infant School and the older child is due to transfer to the Castle Hill Junior School, in which case both children will be treated as siblings.
   • Applicants to Castle Hill Junior School if the younger child is already attending or has been offered a place at Castle Hill Infant school.

3. Children who are ordinarily resident in the catchment area and who live nearest to the schools. Distance will be measured by a straight line (‘as the crow flies’) as calculated electronically by Suffolk County Council.

4. Children who live outside the school’s catchment area and who live nearest to the school. Distance will be measured by a straight line (‘as the crow flies’) as calculated electronically by Suffolk County Council.

2018/2019 Oversubscription criteria:
The first priority admission group is children whose Education, Health and Care (EHC) plan names the school. All those in this group must be admitted and this applies to all schools in the John Milton Academy Trust. If the number of applications for Cedars Park Primary School is greater than the PAN, children will be admitted to the school using the following oversubscription criteria in this priority order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after);

2. Children with a brother or sister (sibling) attending one of the schools in the John Milton Academy Trust at the time of application, with a reasonable expectation they will be attending at the start of the new school year. Priority will be given, where necessary, to applications where there is the smallest age gap between siblings. If you have more than one child in the Academy Trust, please name the youngest one;

3. Children of staff employed by the school in the following circumstances: a) Where the member of staff has been employed at the school for two or more years at the time at which application for admission to the school is made, or b) The member of staff is recruited to the school to fill a vacant post for which there is a demonstrable skill shortage;

4. Children who do not have a brother or sister (sibling) attending one of the schools in the Academy Trust. Applications in this category will be ranked by the distance of a child’s home to the school they have applied to. This will be done by measuring the distance by a straight line (‘as the crow flies’).

### 2018/2019 Oversubscription criteria:

Where Cliff Lane Primary School is named on a child’s Statement of Special Educational Needs or Education, Health and Care Plan that child will be admitted by the Academy. The following details the order of priority for places in the case of oversubscription:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).
2. Siblings (children who are brothers and sisters, or who live as a family at the same address) of pupils already at the school or who have already been offered a place, and who will still be there at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap.
3. Children who are ordinarily resident in the catchment area and who live nearest to the school. Distance will be measured by a straight line (‘as the crow flies’) as calculated electronically by Suffolk County Council.
4. Children who live outside the school’s catchment area and who live nearest to the school. Distance will be measured by a straight line (‘as the crow flies’) as calculated electronically by Suffolk County Council.

**2018/2019 Oversubscription criteria:**

When the Academy is oversubscribed, after the admission of pupils with an Education, Health and Care plan naming the Academy, priority for admissions will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).
2. Siblings (children who are brothers or sisters of, or who live as a family at the same address) of pupils who are already at the Academy or who have already been offered a place, and who will still be there at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. If you have more than one child at the Academy, please name the youngest one.
3. Children who are ordinarily resident in the catchment area. Places will be allocated in the following priority order: children who live nearest to the Academy. We will measure the distance by a straight line ("as the crow flies").
4. Children who live outside the catchment area in the same priority order as outlined in number 3.
2018/2019 Oversubscription criteria:
All children whose statement of special educational needs or education health and care plan names the academy must be admitted (paragraph 1.6 of the School Admissions Code, February 2014). If there are more applications for places than there are places available, we will give preference to children according to the following rules in this order of priority:

1. Looked after children and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after) in accordance with section 22 of the Children’s Act 1989.

2. Siblings; which for the purposes of this policy are defined as: Children living permanently at the same address as a child attending the academy at the time of their admission.

3. Other children by distance (‘as the crow flies’) from the academy, with priority for admission given to children who live nearest to the academy as measured using Ordnance Survey data to plot an address.

Primary (including infant and junior) schools
### 2018/2019 Oversubscription criteria:

Children who have a statement of special educational needs or an Education, Health and Care (EHC) plan that names Grove Primary School will be admitted. Children who have a statement of special educational or an EHC plan fall outside the ordinary admissions system and therefore do not feature within the oversubscription criteria. In the event of a year group being oversubscribed, and after the admission of pupils with a Statement of Special Educational Needs or an EHC plan where the school is named, priority for admission will be given to those children who meet the criteria set out below, in order:

A. A ‘looked after child’ or child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989).

B. Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.

C. Other children by distance from the school with priority for admission being given to those who live nearest to the school as measured by a straight line.

**2018/2019 Oversubscription criteria:**

When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked after children or previously looked after children i.e. children in foster care, care homes or who were before being adopted.
2. Children with siblings in the school.
3. Children of school staff fulfilling a skills shortage role.
4. Home-to-school distance – meaning that the remaining places are allocated in order of each child’s proximity to the school. ‘Home-to-school distance’ is defined/measured as the distance by a straight line (‘as the crow flies’).

**2018/2019 Oversubscription criteria:**

Children who have a statement of special educational needs or an Education, Health and Care (EHC) plan that names Gusford Primary School will be admitted. Children who have a statement of special educational or an EHC plan fall outside the ordinary admissions system and therefore do not feature within the oversubscription criteria. In the event of a year group being oversubscribed, and after the admission of pupils with a Statement of Special Educational Needs or an EHC plan where the school is named, priority for admission will be given to those children who meet the criteria set out below, in order:

A. A ‘looked after child’ or child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989).

B. Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.

C. Other children by distance from the school with priority for admission being given to those who live nearest to the school as measured by a straight line.

2018/2019 Oversubscription criteria:
Children who have an Education, Health and Care (EHC) plan which names the school must by law be offered a place at this school. Places are then offered in the following priority order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).

2. Siblings (children who are brothers or sisters of, or who live as a family at the same address) of pupils who are already at the Academy or who have already been offered a place, and who will still be there at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap. If you have more than one child at the Academy, please name the youngest one.

3. Children who are ordinarily resident in the catchment area. Places will be allocated in the following priority order:
   a) Children whose parents/carers are applying on the grounds that the child and/or the family are practising members of the Church of England.
   b) Children who are resident nearest to the school.

4. Children of applicants who ordinarily reside outside the school’s catchment area in the same priority order as set out in 3a) and 3b) above.

We will measure the distance by a straight line (‘as the crow flies’).

Supplementary Information Form: This school requires a SIF for certain criteria.

2018/2019 Oversubscription criteria:
The first priority admission group is children whose Education, Health and Care (EHC) plan names the school. All those in this group must be admitted and this applies to all schools in the John Milton Academy Trust. If the number of applications for Mendlesham Primary School is greater than the PAN, children will be admitted to the school using the following oversubscription criteria in this priority order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after);

2. Children with a brother or sister (sibling) attending one of the schools in the John Milton Academy Trust at the time of application, with a reasonable expectation they will be attending at the start of the new school year. Priority will be given, where necessary, to applications where there is the smallest age gap between siblings. If you have more than one child in the Academy Trust, please name the youngest one;

3. Children of staff employed by the school in the following circumstances: a) Where the member of staff has been employed at the school for two or more years at the time at which application for admission to the school is made, or b) The member of staff is recruited to the school to fill a vacant post for which there is a demonstrable skill shortage;

4. Children who do not have a brother or sister (sibling) attending one of the schools in the Academy Trust. Applications in this category will be ranked by the distance of a child’s home to the school they have applied to. This will be done by measuring the distance by a straight line (‘as the crow flies’).
Primary (including infant and junior) schools

3. Children of applicants who are committed members of the Church of England for whom this is the closest Church of England school to their home.

4. Children of applicants who reside within the designated area at the time of application and who are committed members of recognised Churches other than the Church of England.

5. Children of applicants who reside within the designated area at the time of application and who are committed adherents of a recognised Faith other than Christian and who wish their child to attend a Church of England school.

6. Children of applicants who reside outside the designated area at the time of application.

Children who have a statement of special educational needs or an Education, Health and Care (EHC) plan that names Pakefield Primary School will be admitted. Children who have a statement of special educational or an EHC plan fall outside the ordinary admissions system and therefore do not feature within the oversubscription criteria. A. A ‘looked after child’ or child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989).

B. Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.

C. Other children by distance from the school with priority for admission being given to those who live nearest to the school as measured by a straight line.

### 2018/2019 Oversubscription criteria:

Children who have a statement of special educational needs or an Education, Health and Care (EHC) plan that names Reydon Primary School will be admitted. Children who have a statement of special educational or an EHC plan fall outside the ordinary admissions system and therefore do not feature within the oversubscription criteria. In the event of a year group being oversubscribed, and after the admission of pupils with a Statement of Special Educational Needs or an EHC plan where the school is named, priority for admission will be given to those children who meet the criteria set out below, in order:

A. A ‘looked after child’ or child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989).

B. Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.

C. Other children by distance from the school with priority for admission being given to those who live nearest to the school as measured by a straight line.

### 2018/2019 Oversubscription criteria:

Children who have a statement of special educational needs or an Education, Health and Care (EHC) plan that names Sidegate Primary School will be admitted. Children who have a statement of special educational or an EHC plan fall outside the ordinary admissions system and therefore do not feature within the oversubscription criteria. In the event of a year group being oversubscribed, and after the admission of pupils with a Statement of Special Educational Needs or an EHC plan where the school is named, priority for admission will be given to those children who meet the criteria set out below, in order:

A. A ‘looked after child’ or child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989).

B. Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.

C. Other children by distance from the school with priority for admission being given to those who live nearest to the school as measured by a straight line.
2018/2019 Oversubscription criteria:

Children who have a statement of Special Educational Needs (SEN) or an Education, Health and Care (EHC) plan, which names the school, must by law be offered a place at this school. If the total number of prioritised applications exceeds the PAN of 30 in any of the following criteria and priorities we will rank the applications within that group by distance from home to school.

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).

2. Applicants with siblings on the school roll at the time of admission.

3. Military families, in accordance with the provisions of the statutory Admissions Code.

After places are allocated to applicants in the above four groups, all other admissions are made by strictly applying the criteria below in priority order until the number to be admitted equals the PAN (30).

Out of Catchment Area applications:

9. Those whose families regularly worship at another church which is a member of Churches Together in Britain and Ireland or the Evangelical Alliance.

10. All other applicants.

Supplementary Information Form: This school requires a SIF for certain criteria.
who are already at the school or will be on roll at the time of admission or who have already been offered a place. 

Priority will be given, where necessary, to applications where there is the smallest age gap.

2.2 Children with Home Office confirmed refugee status.

2.3 a) Children whose families wish to apply for a place giving faith as a priority will need to give evidence that they attend church regularly (at least monthly) at a church recognised by ‘Churches Together of Great Britain and Ireland’, by completing a Supplementary Information Form (SIF) indicating their faith involvement. Their church minister must countersign the SIF. This form is available from this school. Applicants new to the area can provide evidence from a previous church or churches.

2.3 b) Children whose families wish to apply for a place giving another faith as a priority will need to give evidence that they participate regularly (at least monthly) in the local worshipping community of the faiths named (Buddhism, Hinduism, Islam, Sikhism and Judaism) and wish their child to attend Sir Robert Hitcham’s because of its Christian traditions by completing a Supplementary Information Form (SIF) indicating their faith involvement. Their faith leader must countersign the SIF. This form is available from this school. Applicants new to the area can provide evidence from a previous faith leader.

2.4 Children who live nearest to the school. The distance will be measured by a straight line (‘as the crow flies’).

3. Children who live outside the school’s catchment area in the same order of priority as set out in 2.1 to 2.4 above.

Supplementary Information Form: This school requires a SIF for certain criteria.
2018/2019 Oversubscription criteria:
When the school is oversubscribed (that is, there are more applications than places available), after the
admission of pupils with an Education, Health and Care Plan that names the school, priority for admission
will be given to those children based on the criteria set out below, in the order shown:
1. Looked after children or previously looked after children i.e. children in foster care, care homes or who
   were before being adopted.
2. Children with siblings in the school.
3. Children of school staff fulfilling a skills shortage role.
4. Home-to-school distance – meaning that the remaining places are allocated in order of each child’s
   proximity to the school. ‘Home-to-school distance’ is defined/measured as the distance by a straight
   line (‘as the crow flies’).

2018/2019 Oversubscription criteria:
When the school is oversubscribed (that is, there are more applications than places available), after the
admission of pupils with an Education, Health and Care Plan that names the school, priority for admission
will be given to those children based on the criteria set out below, in the order shown:
1. Looked after children (children in care) and previously looked after children (children who were looked
   after, but ceased to be so because they were adopted or became subject to a child arrangements
   order or special guardianship order, immediately following having been looked after).
2. Children who have a sibling who will be attending the school at the time of admission.
3. Children of applicants who ordinarily reside within the catchment area. Places will be allocated in the
   following priority order:
   a) Children whose parents/carers are applying on the grounds that the child and/or the family are
      practising members of the Church of England.
Primary (including infant and junior) schools

b) Children who are resident nearest to the school.

4. Children of applicants who ordinarily reside outside the school’s catchment area in the same priority order as set out in 3a) and 3b) above.

We will measure the distance by a straight line (‘as the crow flies’).

NB: Siblings cannot claim additional points in section two, three or four.
2018/2019 Oversubscription criteria:

Children are admitted according to the following categories, priority being given in the order shown, until PAN is reached. The governors are required by law to admit a child who has an Education, Health and Care (EHC) plan which names the school.

1. Roman Catholic students who are defined in the appropriate Government guidelines as ‘Looked After Children (Children in care) and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).’
2. Roman Catholic students with a sibling already attending and who will continue to attend St Mary’s during the following school year living within the catholic parish of Our Lady Star of The Sea in Lowestoft.
3. Roman Catholic students with a sibling already attending and who will continue to attend St Mary’s during the following school year not living within the catholic parish of Our Lady Star of The Sea in Lowestoft.
4. Other Roman Catholic students living within the catholic parish of Our Lady Star of The Sea in Lowestoft.
5. Other Roman Catholic students.

The Governors will consider applications from students who are not Catholics, if space is available, according to the following order of priority:

1. Non-Catholic students who are defined in the appropriate Government guidelines as ‘Looked After Children (Children in care) and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).’
2. Non-Catholic students with a sibling already attending and who will continue to attend St Mary’s.
during the following school year.

3. Non-Catholic students who regularly attend (at least once a month) a Christian Church (Churches which are members of Churches Together in Britain and Northern Ireland). The Governors will require evidence of Baptism (if appropriate) and the Parish Priest must sign the appropriate section which is located at the bottom of the SIF.

4. Other non-Catholic students.

Supplementary Information Form: This school requires a SIF for certain criteria.

### 2018/2019 Oversubscription criteria:
Governors have a statutory duty to admit applicants with a statement of Special Educational Need or Education, Health and Care (EHC) plan where this school is named as being best able to provide the most appropriate educational provision for the named child. After places have been allocated to children who:

a) have a statement of Special Educational Needs (SEN) or an Education, Health and Care (EHC) plan which names the school; or

b) are Looked after children (children in care) and Previously Looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after);

c) live in the Parish of St Matthew’s, Triangle or All Saints with confirmed refugee status.

All other applications will be allocated points using the points policy which follows these notes. Applications will then be placed in rank order including applications with zero points; places will be offered starting with the highest ranked application until the number of admissions equals 60.

### Section One – Ordinarily resident

| Ordinarily Resident in the Parish of St Matthew’s, Triangle or All Saints. | 3 |
| Ordinarily Resident in the Borough of Ipswich or the Ipswich Deanery. | 2 |

(Maps available to view in the school office).

### Section Two – Religious affiliation

| Worshipping weekly at St Matthew’s, Triangle or All Saints Church. | 10 |
| Worshipping weekly at an Anglican Church. | 8 |
| Worshipping weekly at a Christian Church. | 6 |
| Worship at least monthly at a Christian Church. | 4 |
| Member of a local worshipping community of the faiths named: Buddhism, Hinduism, Islam, Sikhism and Judaism worshipping at least monthly. | 3 |

Points can only be awarded in one category – a), b), c), d) or e).

NB Parents should note that the term ‘Christian Church’ refers to all those churches who are members of ‘Churches together in England’. A parent is any person who has parental responsibility for or is the legal guardian of the child. Where admission arrangements refer to attendance at church it is sufficient for just one parent to attend. ‘Family members’ include only parents, as defined above, and siblings.

### Section Three – Siblings

| Children who have a brother or sister (including half or step-siblings and other children of the same immediate household) who is attending St Matthew's School and will still be there when the child starts school. | 13 |

2018/2019 Oversubscription criteria:

Children who have a statement of Special Educational Needs and Disability (SEND) or an Education, Health and Care (EHC) plan which names the school must by law be offered a place at this school. After offering places to children as above, the Governors will offer places in the following priority order:

A. Highest priority will be given to Looked after children (children in care) and Previously Looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).

B. Priority will then be given to children who are ‘ordinarily resident’ within the schools defined catchment area.

Priority to in catchment children will be given in the following order:

1. Those children applying to go to the school who have a brother or sister (or other children in the same household) who are already in attendance at the school and who will continue to be at the time they would commence. Brother or sister includes half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. Priority will be given to those with the smallest age difference.
2. Applications made on religious grounds confirming regular worship (attendance at the Church at least once a month), by at least one parent, at a Church of England church or a church that is a member of ‘Churches Together in England’. Applications on this ground must be supported by a Supplementary Information Form.

3. After the above priorities, remaining places will be allocated to children on the basis of their home’s distance from the school in a straight line (‘as the crow flies’) – those living nearer having priority.

C. If places remain following allocation on the above-outlined basis, places will be allocated to children who reside out of the catchment area in the following order:

1. Those children applying to go to the school who have a brother or sister (or other children in the same household) who are already in attendance at the school and who will continue to be at the time they would commence. Brother or sister includes half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling. Priority will be given to those with the smallest age difference.

2. Applications made on religious grounds confirming regular worship (attendance at the Church at least once a month), by at least one parent, at a Church of England church or a church that is a member of ‘Churches Together in England’. Applications on this ground must be supported by a Supplementary Information Form.

3. After the above priorities, remaining places will be allocated to children on the basis of their home’s distance from the school in a straight line (‘as the crow flies’) – those living nearer having priority.

Children who have an Education, Health and Care (EHC) plan which names the school must by law be offered a place at this school. Places are then offered in the following priority order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after).
2. Children who have a sibling who will be attending the school at the time of admission.
3. Children of applicants who ordinarily reside within the catchment area. Places will be allocated in the following priority order:
   a) Children whose parents/carers are applying on the grounds that the child and/or the family are practising members of the Church of England.
   b) Children who are resident nearest to the school.
4. Children of applicants who ordinarily reside outside the school’s catchment area in the same priority order as set out in 3a) and 3b) above.

We will measure the distance by a straight line (‘as the crow flies’).

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989).

B. Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.

Further information will be available at www.suffolk.gov.uk/admissions.
Children who have a statement of special educational needs or an Education, Health and Care (EHC) plan which names the school will always be admitted. In the event of the school being oversubscribed, priority will be given in the following order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after).

2. Children with exceptional medical circumstances supported by written medical evidence. Any such applications must be received by the closing date in the co-ordinated scheme (15 January) and will be considered by the Admissions Committee of the school. Application should be made using the Supplementary Information Form (SIF) available from Horringer Court Middle School. The extent and circumstances in which medical need would qualify would relate to situations in which e.g. a hospital consultant has stated in writing that attendance at Horringer Court was an essential in terms of meeting the medical needs of the child. Written supporting evidence must be provided by at least one registered health professional and must set out the particular reasons why placement at Horringer Court is essential.

3. Applications from children currently attending one of the primary schools working within the Academy Trust in the following order of priority:
   a) Children with a brother or sister (sibling) attending a school working within the Academy Trust at the time of application with a reasonable expectation they will be attending at the start of the new school year. Attendance at County Upper will include attendance in the Sixth Form.
   b) Children who do not have a brother or sister (sibling) attending a school working within the Academy Trust.

4. Applications from children of staff employed by the school at the time of the application in either or both of the following circumstances:

Middle schools

**2018/2019 Oversubscription criteria:**

Children who have a statement of special educational needs or an Education, Health and Care (EHC) plan which names the school will always be admitted. In the event of the school being oversubscribed, priority will be given in the following order:

1. Looked after children (children in care) and previously looked after children (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after).

2. Children with exceptional medical circumstances supported by written medical evidence. Any such applications must be received by the closing date in the co-ordinated scheme (15 January) and will be considered by the Admissions Committee of the school. Application should be made using the Supplementary Information Form (SIF) available from Westley Middle School. The extent and circumstances in which medical need would qualify would relate to situations in which e.g. a hospital consultant has stated in writing that attendance at Westley was an essential in terms of meeting the medical needs of the child. Written supporting evidence must be provided by at least one registered health professional and must set out the particular reasons why placement at Westley is essential.

3. Applications from children currently attending one of the primary schools working within the Academy Trust in the following order of priority:
   a) Children with a brother or sister (sibling) attending a school working within the Academy Trust at the time of application with a reasonable expectation they will be attending at the start of the new school year. Attendance at County Upper will include attendance in the Sixth Form.
   b) Children who do not have a brother or sister (sibling) attending a school working within the Academy trust.

4. Applications from children of staff employed by the school at the time of the application in either or both of the following circumstances:
   a) Where the member of staff has been employed at the school for two or more years at the time at which application for admission to the school is made, and/or
   b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

5. Applications from other children who do not attend a primary school working within the Academy Trust in the following order of priority:
   a) Children with a brother or sister (sibling) attending a school working within the Academy Trust at the time of application with a reasonable expectation they will be attending at the start of the new school year. Attendance at County Upper will include attendance in the Sixth Form.
   b) Other children living nearest to the school, ranked by a straight-line distance.
