# Introduction to admissions in Suffolk

This directory provides information about primary (including infant, junior and middle) schools in Suffolk in the 2019/2020 school year. It does not cover independent schools. It explains how places are offered when a school gets too many applications. There is a separate directory which provides information for secondary (including high and upper) schools.

**Suffolk's School Travel Policy 2019/2020** has been amended. It is important that you understand how this might affect your child's eligibility for Suffolk County Council (SCC) funded school travel before you apply for a school place. Children living in Suffolk who will be starting at a new school in September 2019 will be eligible for SCC funded school travel when they meet the statutory walking distance criteria from their home to the nearest suitable school that would have had a place available for them. This would be whether or not an application was made for a place at that school. Full details about SCC funded school travel, including additional arrangements for low income families and those with Special Educational Needs and Disabilities (SEND), can be found at [www.suffolkonboard.com/schooltravel](http://www.suffolkonboard.com/schooltravel).

We recommend that you think about how your child will travel to and from your preferred school(s) before you make your application for a school place. Most parents make their own arrangements for their child's journeys to and from school, further information is available online at [www.suffolkonboard.com/schooltravel](http://www.suffolkonboard.com/schooltravel).

You can find out which are your three nearest Suffolk schools by putting your postcode into our new **Nearest School Checker** (which is based on the statutory walking distance including rights of way). The checker can be found at [nearestschool.suffolk.gov.uk](http://nearestschool.suffolk.gov.uk). If your child lives in Suffolk and your nearest school is outside of the county, we would still provide SCC funded school travel to the nearest Suffolk school that would have had a place available for your child, subject to your child's age and meeting the statutory distance criteria.

In terms of admissions, you can decide which schools to apply for and you do not have to apply for your nearest suitable school. However, this could mean that your child would not be eligible for travel to any school, including your catchment area school, if this is not the nearest school that could have been offered to your child. We have provided some scenarios in Step 4 of the relevant 'Apply for a school place' page found online at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions). These can help you work out when your child might be eligible for SCC funded school travel to their school when the age and distance criteria are met.

**For the normal year of intake, it is important that we receive your application by the relevant closing date.** You should apply online and submit your application by this date. If for any reason you are unable to apply online, you should complete the paper application (CAF1) and send this to us so that we receive it by the closing date.

All of the information about applying for a school place can be found online at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions).

If you do not apply by the closing date your application may not be dealt with until after places have been offered to those who applied on time. You cannot apply online after the closing date.

# A quick guide to applying for a school place

## Normal year of entry applications

If you are applying for a school place in the normal year of entry, please read the '[Admissions to Schools in Suffolk 2019/2020](#)' guide for information on how and when to apply for a school place. The normal years of entry for schools are shown below:

School Phase	Normal Year of entry
Primary	Reception Year*
Infant	Reception Year*
Junior	Year 3
Middle	Year 5
High	Year 7
Upper	Year 9

**\*You must apply for a school place if your child was born between 1 September 2014 and 31 August 2015.** You must make an application for a full-time school place even if your child is already attending a nursery class in an infant or primary school, a pre-school or a children's centre next to a school site. This is because a place in a nursery class, pre-school or children's centre does not guarantee your child a full-time place at that school.

**It is important that we receive your application by the relevant closing date,** please see [page 4](#). You should apply online and submit your application by this date. If for any reason you are unable to apply online, you should complete the paper application (CAF1) and send this to us so that we receive it by the closing date.

If you do not apply by the closing date your application may not be dealt with until after places have been offered to those who applied on time. This means that all available places at your preferred school(s) may have been filled and it could be some time before you know the outcome of your application. You cannot apply online after the closing date.

## In-year applications

An in-year application is made when a parent or carer applies for their child to go to a new school during the school year, or at the start of the school year but in a different age group from the school's normal year of entry. Information on in-year applications is available online at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions) or by contacting us on 0345 600 0981 (local rate).

All of the information about applying for a school place can be found online, including Frequently Asked Questions (FAQs), at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions).

# Key information about schools

## Suffolk’s co-ordinated admissions scheme

There are different types of schools in Suffolk (maintained, academies and free schools) and we co-ordinate admissions to the normal year of entry for them all.

The co-ordinated admissions scheme is set out in full on our website at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions). You can also request a paper copy by contacting us on 0345 600 0981 (local rate). This document provides the detailed admission arrangements for Suffolk and is in place to make sure all applications are handled fairly, consistently and efficiently. It applies to all schools in Suffolk to ensure that children across the county are offered a single school place on the same day.

However, for in-year applications, you will need to apply to some schools directly. In these cases, the school’s governing body or academy trust will process your application. For all other schools in-year applications will be processed by Suffolk County Council. The different types of schools in Suffolk and information about where to send your application are shown below:

School type	Where to send your application	
	Normal year of entry	In-year
<p><b>Maintained schools</b></p> <p>A maintained school is a state school funded by central government through the local authority and does not charge fees. # How places are offered

## How places are offered if there are more applications than places available

If a school receives more applications than it has places available ('oversubscribed') then the school's published oversubscription criteria are used to decide which applicants will be offered a place. We will offer your child a place at the highest ranked school where possible.

Depending on the type of school, these decisions are either made by Suffolk County Council, the school's governing body or by the academy trust. You can find the oversubscription criteria online at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions) or by clicking on the link in the [list of schools](#) in this Directory. Further information is on [page 11 'Admission policies'](#).

## Suffolk County Council's admissions oversubscription criteria for community and voluntary controlled schools

Where there are more applications than places available we will rank your application using Suffolk County Council's admissions oversubscription criteria below.

**Children who have an Education, Health and Care (EHC) plan which names the school must by law be offered a place at that school.**

The following admissions oversubscription criteria show the order of priority for places at community and voluntary controlled schools and at those foundation, voluntary aided schools, and academies where they have agreed to operate the same policy as Suffolk County Council. Further information is on [page 11 'Admission policies'](#).

These criteria may also be used to allocate places at schools that were community or voluntary controlled schools when their admissions arrangements were determined for 2019 but have since converted to academy status.

For applications to the normal year of entry at a school, these criteria will be applied according to the circumstances existing before midnight at the end of the closing date.

For in-year applications, these criteria will be applied according to the circumstances existing at the time of application.

1	Children in care (looked after children) and children who were previously in care (children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been in care).
2	Sibling: where the child has a sibling in the school or a sibling has already been offered a place at the school, and where the sibling will still be attending the school at the time of admission. Priority will be given, where necessary, to applications where there is the smallest age gap.  This will also apply to applications to the three-paired infant and junior schools: <ul style="list-style-type: none"><li>– Maidstone Infant and Causton Junior Schools, Felixstowe;</li><li>– Fairfield Infant and Colneis Junior Schools, Felixstowe;</li><li>– Springfield Infant and Springfield Junior Schools, Ipswich.</li></ul>

continued on next page

**See our new school travel policy at [www.suffolkonboard.com/schooltravel](http://www.suffolkonboard.com/schooltravel)**

	<p>We will treat these applicants as siblings when the older child is already attending the junior school or will be offered a junior school place in the normal year of entry. In cases where the younger child is about to start in the reception year group in the infant school and the older child is due to transfer to the paired junior school, we will treat both applicants as siblings. Similarly, we will use the sibling criterion for an application to a junior school if the younger child is already attending or has been offered a place at the paired infant school.</p> <p>The term 'sibling' includes: natural, half, step, and adopted brothers and sisters; a child of the partner of the parent/carer; and children who are fostered into the family. In all these cases, the child and their sibling will both be living at the same address (that is where the child is ordinarily resident) in a single family unit. This means that children from different family units, where those separate families are living together at the same address, are not considered siblings under this criterion.</p>
3	<p>Children who are <b>ordinarily resident</b> in the catchment area.</p> <p>Places will be allocated in the following priority order:</p> <ol style="list-style-type: none"> <li>a) If the school is voluntary controlled, children whose parents/carers are applying on the grounds that the child and/or the family are practising members of the Church of England (or other church within the Worldwide Anglican Communion). You must complete a Suffolk County Council Supplementary Information Form (SIF). This SIF must specifically state that you and/or your child are a practising member of the Church of England (or other church within the Worldwide Anglican Communion), which means you and/or your child go to an Anglican church regularly, that is to say at least once a month.</li> <li>b) Children who live nearest to the school. We will measure the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by Suffolk County Council using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which the straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.</li> </ol>
4	<p>Children who live outside the school's catchment area in the same priority order as set out in (a) and (b) above.</p>

## Notes to Suffolk County Council's admissions oversubscription criteria

### Children in care (looked after children)

A 'child in care' or a 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

## **Children previously in care (previously looked after children)**

Children previously in care (previously looked after children) includes children who were adopted under the Adoption Act 1976 (section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (section 46 adoption orders). Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

## **Religious grounds criterion**

The website used to confirm membership of the Church of England is **[www.churchofengland.org](http://www.churchofengland.org)**. For families moving to Suffolk from other countries, the website to confirm membership of churches within the Worldwide Anglican Community is **[www.anglicancommunion.org](http://www.anglicancommunion.org)**.

## **Distance tie-breaker**

It is possible that the PAN of the school will be reached in any one of the categories. For this reason, all applications will be prioritised according to the criteria described. Decisions will be made about the offer of places in accordance with those priorities. If it is necessary to use a tie-breaker to distinguish between two or more applications, a distance criterion will be used. We will give priority to the applicants who live nearest to the school as measured by a straight line. In the unlikely event that two applicants competing for a single place at a school live the same distance from the school, the place will be offered to one applicant on the basis of lots drawn by an officer of Suffolk County Council not involved with admissions.

## **Twins, triplets and other multiple births**

If the final place available at a school is offered to a twin, triplet or other multiple birth and the remaining sibling(s) would ordinarily be refused, Suffolk County Council will offer places to the remaining sibling(s) at the same school. The law requires that this will apply even in those primary schools where this would mean that more than 30 pupils would be admitted to an infant class with a single qualified teacher.

## **Waiting lists**

If we are unable to offer your child a place at your preferred school(s) in the normal year of entry, we will automatically add their name to the waiting list for that school(s). Names are placed on the waiting list in the priority order set out in the school's admissions oversubscription criteria.

The order of the waiting list can change each time a child's name is added or the circumstances of a child already on the list changes. As a result, a child's place on the list can go up or down (for example due to withdrawals or late applications).

If you change your address while your child is on a waiting list, you must let us know. Please be aware that this may change your child's position on the waiting list. Written evidence of this will be required.

Having your child's name on a waiting list will not affect your right to appeal for any of the schools your child has been refused a place at.

Late applicants will be added to any waiting lists in oversubscription priority order if their parental preferences cannot be met.

**See our new school travel policy at [www.suffolkonboard.com/schooltravel](http://www.suffolkonboard.com/schooltravel)**

If a place becomes available at a school, it will be offered to the child who is ranked highest on the waiting list. Places are not offered based on the date on which names were placed on the list.

The waiting lists for community and voluntary controlled schools will close on 31 December 2019. The waiting lists for those foundation, voluntary aided schools, and academies who have agreed to operate the same policy as Suffolk County Council will also close on 31 December 2019.

Information on when the waiting lists close for voluntary aided, free schools and academies who do not follow the same policy as Suffolk County Council is available from the schools directly.

Suffolk County Council does not hold waiting lists for in-year applicants.

### **Making another application for a place at the same school**

A parent/carer can apply for a place for their child at any time to any school outside of the normal admissions round. However, if your application for a school place is refused, we will not determine a further application for a place in the same school in the same school year, unless there has been a significant change in the circumstances of the parent/carer, child or school. Such circumstances might be a house move or a place becoming available at the school.

If there is no significant change in circumstances, you can make another application for the following school year. However, this will not normally be considered more than one term ahead of the date when you want your child to start at the school.

### **Ordinarily resident**

By ordinarily resident we mean the place where your child usually lives. We consider this to be where they sleep overnight. We may need proof of this address. If you use another address to give the impression that your child lives at a different address to where they are ordinarily resident, such as a second home or a grandparent's address, so that you have a higher priority for a place at that school; we consider this to be a fraudulent application. Where a child lives at two or more addresses, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Separate evidence in writing from each parent must be provided to confirm the child's living arrangements at the time of application.

In cases where the child spends an equal proportion of the school week at two or more different addresses, evidence of which is to be considered the main contact address will be required to support the application. Agreement in writing by the parents will be required to state which address is to be used as the ordinarily resident address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.

If we are aware of a parental dispute affecting the application, we may not be able to deal with the application and you may need to seek independent legal advice in order to resolve the matter.

# School details

Suffolk County Council makes decisions for community and voluntary controlled schools. The governing bodies or academy trusts of foundation, voluntary aided, free schools and academies determine the order in which applications should be ranked according to their oversubscription criteria. These are known as own admission authority schools.

The following pages provide alphabetical lists of Suffolk primary (including infant, junior and middle) schools, nursery school, children's centres, special schools and pupil referral units. We have not included information on independent schools.

We have provided some key information about each school to help you when you are applying for a school place, including the:

- School's address and phone number.
- School's website.
- Compulsory school age range and type of school.
- Headteacher's name.
- Published Admission Number (PAN) for 2019/2020, further information below. Where you see an '\*' this indicates that the PAN for 2019/2020 is lower than the PAN for 2018/2019, therefore, you should be aware that places will be more limited, and the pattern of admissions may change.
- Link to the school's admissions policy, which includes the oversubscription criteria, if it is different to Suffolk County Council's oversubscription criteria which starts on [page 7](#) of this directory.
- Supplementary Information Form (SIF). You may need to complete and submit a SIF at the same time as making your application. Further information will be in the school's admissions policy.

## Published Admission Number

A set number of places are offered in any one year. This number is known as the Published Admission Number (PAN), which is based on a national formula for deciding how many children can go to a school, without causing overcrowding.

Although the PAN applies to the year of entry, we would normally apply this number across all year groups in the school. However, there may be times for other year groups where this is not possible.

If the number of applicants is less than the PAN all applicants will normally be admitted. If a school receives more applications than it has places available (oversubscribed) then the school's published oversubscription criteria are used to decide which applicants will be offered places.

## Admissions policies

If the school has their own admissions policy, which sets out how places will be prioritised, this can be found online at [www.suffolk.gov.uk/admissions](http://www.suffolk.gov.uk/admissions) or by clicking on the link within the 'Check the 2019/2020 admissions policy including the oversubscription criteria' section of the school details. If you require a paper copy, please contact us on 0345 600 0981.

**See our new school travel policy at [www.suffolkonboard.com/schooltravel](http://www.suffolkonboard.com/schooltravel)**

## **Information from the 2018/2019 school year**

We have also included information relating to the on time applications we received for the normal year of entry to the school in September 2018 (2018/2019 school year). This is to help you judge whether or not your application for a school place might be successful when you are completing your application. It includes the:

- Published Admission Number (PAN) for 2018/2019.
- Number of pupils on roll at the school in January 2018.
- Number of applications received by the closing date. This is the number of applications for which no higher preference school was offered. It may include second and third preferences as well as first preferences. The figure is intended to give you an idea of the demand for places at the school. Please note that if you only apply for schools that have previously had more applications than places, there is a possibility that you will not be offered a place at any of them.
- Number of places that were actually allocated at the school to on time applicants.
- Number of on time applications that were refused.
- Criterion under which the last child was admitted to oversubscribed schools. Where schools were not oversubscribed all applicants were admitted. Where schools were oversubscribed, the oversubscription criteria that was applied and the cut-off point is indicated.

## **School nurseries**

Please look at the school's website or contact the schools direct for information on nursery places, including what age of children they take (two, three or four year olds) and what hours they offer each day.

# Comments, compliments and complaints

Our aim is to make sure your child gets the best education possible. If you have any comments, compliments or complaints about your child's education, it is best to discuss this with a member of staff or the headteacher at your child's school. This can be put in writing if you prefer.

Most issues can be resolved without any further action. However, if you are not happy with the outcome, you should ask the school for details of their complaints policy.

If your complaint relates to a service you have received from Suffolk County Council you can contact Suffolk County Council's Complaints Team (Customer Rights).
