About the Young Adults' Network

The Young Adults' Network (YAN) is for anyone working in local government who considers themselves a young adult.

The Young Adults' Network:

- Promotes the activities and interests of young people working for local government
- Is a key network for drawing on the views and experiences of young adults to inform Council decisions
- Provides learning opportunities targeted at young adults about different areas of public sector working
- Holds a yearly charity fundraiser
- Organises and hosts social events
