

## **Suffolk Health and Wellbeing Board: Public Participation**

The Suffolk Health and Wellbeing Board actively encourages participation in its meetings. Stakeholder groups and partners may have an interest in particular items and, if so, they should contact Suffolk County Council's Democratic Services Team should they wish to provide information to the Board. With the agreement of the Chairman of the Board, an invitation to participate in the discussion may be extended. Alternatively, individuals may wish to take part in the Public Participation Session at the start of the meeting.

### **What is the deadline for applying to speak?**

Notification must be received in writing by no later than 12 noon on the fourth working day before the meeting. Information about the Board and its meeting dates is available on the Suffolk County Council's website: [www.suffolk.gov.uk/meeting-dates](http://www.suffolk.gov.uk/meeting-dates)

### **How long does a Public Participation Session last?**

20 minutes will be set aside for the Public Participation Session. Contributions from the public will be taken in the order that they were received, unless the Chairman considers there is a more appropriate place on the Agenda for them to be taken.

### **How long can I speak for?**

You may speak for up to five minutes. If there are more than four people wishing to speak, the Chairman may reduce the amount of time allowed for each speaker.

### **Can I ask a question rather than make a statement?**

No, speakers may not ask questions at the meeting, but you are welcome to contact officers before the meeting.

### **What can I speak about?**

Your statement must be about something on the agenda for the meeting. It must not be defamatory or offensive.

### **Do I have to be present to make a comment?**

Yes.

### **How will the Committee respond?**

The Chairman has discretion to decide how the Board will respond to comments from a member of the public. Through the Chairman, the Board may seek clarification or confirmation of facts from you. However, members will not enter into a debate with you during the Public Participation Session.

### **What will happen after the Public Participation Session?**

After the Public Participation Session, you may stay for the remainder of the meeting or leave, as you wish.

A note of the issues raised will be made and will form a distinct part of the minutes of the meeting. The minutes will provide a brief outline of the issues raised and identify the speakers. The unconfirmed minutes will be available no later than five working days before the next meeting of the Board.

### **Where are the meetings held?**

Most of the Board meetings are held at Endeavour House, Ipswich, where there are arrangements for people with mobility difficulties. If a meeting is held away from Endeavour House, every effort is made to ensure that it is accessible to all. Board meetings are normally open to the public, and there is an area of seating for people wishing to observe the meeting.

Fire and safety considerations determine the seating capacity of the public area and when a particular proposal attracts considerable interest, if possible alternative arrangements will be made to accommodate those wishing to listen to the proceedings. If the Board considers confidential information, the public and press will be asked to leave for that part of the meeting.

### **What time should I arrive?**

Please try to arrive about 15 minutes before the meeting, so that we can explain the seating arrangements and use of the microphones. If you have a disability which you think may affect the seating arrangements or give rise to any special requirements, please let us know as soon as possible in advance of the meeting (see below for contact details). We can also provide information about disabled parking facilities.
