No Response

Q5. Do you consider the Local Plan is
No Response
Q6. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Hadleigh Town Council discussed the Draft Suffolk Minerals & Waste Local Plan Consultation at the meeting held on Thursday 19th July. Please see the comments raised below: Hadleigh Town Council should hope that if there is an expansion of Layham Pit it would be a consultee. It was noted that ten new pits were due for expansion including one at Belstead. It was hoped that this did not mean that aggregate would be brought to Hadleigh quarry for washing, bearing in mind the large equipment that has just been installed there. Concerns were raised over the recommended closure of existing land fill sites and where would land fill waste be sent to.

Q7. Please set out what modification(s) you consider necessary to make the Local Plan legally compliant or sound, having regard to the Matter you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.
