Aims

- To support best practice for SEND Transition to Post 16/18 education or training
- To ensure careers advisers and other professionals working to support SEND transition are able to provide meaningful input into EHC and Moving Into Adulthood Plans
- To provide updates on SEND support in Suffolk
- To understand the needs of SEND families
- To use the learning from this event to plan future CPD

FORMAT

This training will consist of two sessions. The first session will give updates on the processes that support SEND Transition to Post 16 learning or training. This session will consist of keynote presentations, with opportunities for questions and comments to the speakers.

The second session will provide an opportunity to hear from a range of learning and training provision – across Suffolk and in your local area. This second session will consist of keynote presentations, questions and comments to the speakers as well as opportunities for discussion in smaller locality-based breakout groups.

Delegates can choose to attend one or both sessions.

Target Audience:

Careers Leaders and career practitioners working in with SEND students across Suffolk, and Suffolk borders, Suffolk County Council staff involved in SEND Transition, external agencies working with schools and colleges delivering careers activities, Enterprise Co-ordinators, Enterprise Advisers in Suffolk schools and colleges.
