

Applying to University sessions – weekly sessions covering everything students need to know about applying to university this year. These sessions cover how to apply to university, how to prepare for university and much more. <https://www.uos.ac.uk/content/applying-university>

'I Wonder Wednesdays' virtual taster sessions – these virtual taster sessions, taking place every Wednesday, are aimed at Y12s and provide insights into what the various courses of Suffolk look like and they are interactive so that attendees can get a flavour of what it would be like if they studied that course. <https://www.uos.ac.uk/wonderwednesdays>

Virtual Taster Sessions for Schools – are on offer for schools if the I Wonder Wednesday sessions don't fit into their diaries. The team offers a range of bespoke taster sessions for schools. <https://www.uos.ac.uk/content/subject-tasters-schools>

Architecture online event – on Tuesday, 4th May from 11.00 to 12.30 a special Architecture taster session will be offered – a photography will be following as well. <https://www.uos.ac.uk/content/architecture-light-and-experience-virtual-taster-session>

The **'Lesson in a Box' project** will be launched soon – aimed at Y12s, these boxes can be used in school time to introduce different courses offered at the University of Suffolk. The boxes will contain easy-to-follow lesson plans, materials for activities and digital footage to guide teachers through the workshop. More information on that will follow soon.

The **'Making a Difference: Health and Social Sciences Conference'** will be taking place on Wednesday, 26th May. Y12s and equivalent will have the opportunity to attend course sessions, learn more about student life at the University of Suffolk and find out about the application process. The event will soon be bookable on the Student Recruitment and Outreach webpage. <https://www.uos.ac.uk/wonderwednesdays>
